Item 6.05 Securities Act Updating Disclosure

The tables set forth in Sections A and B of Item 8.01 summarize the trust portfolio by various criteria as of the date specified therein.

Item 8.01 Other Events

Prior to January 1, 2016, Discover Bank transferred Discover Card receivables existing in designated accounts directly to Discover Card Master Trust I (the “Trust”). On and after such date, Discover Bank began and will continue to transfer such receivables to Discover Funding LLC pursuant to the Receivables Sale and Contribution Agreement, dated December 22, 2015, between Discover Bank and Discover Funding LLC. Discover Funding LLC has and will continue to transfer the receivables it receives from Discover Bank to the Trust pursuant to the Third Amended and Restated Pooling and Servicing Agreement dated as of December 22, 2015, as amended (the “Pooling and Servicing Agreement”), between Discover Bank, Discover Funding LLC and U.S. Bank Trust Company, National Association, as Trustee. Capitalized terms used in this Item 8.01 and not defined herein shall have the meanings given to them in the Pooling and Servicing Agreement, which is on file with the SEC.

As of November 1, 2023 (the “Addition Date”), Discover Funding LLC, as the holder of the Transferor Certificate, designated certain seasoned Discover Card accounts (the “Additional Accounts”) originated by Discover Bank prior to 2018 to be added to the Master Trust as accounts pursuant to Section 2.10(b) of the Pooling and Servicing Agreement. The Additional Accounts had an aggregate total receivables balance of \$4,549,945,213.59 as of the opening of business on the Addition Date.

As of November 30, 2023, the Receivables in the Accounts designated for the Trust totaled \$30,035,999,170.72 and the total number of Accounts was 13,439,844. Also, as of November 30, 2023, the average account balance was \$3,386 (using 8,869,573 active accounts designated for the Trust for which cardmembers had a balance, a monetary transaction, or authorization within the past month) and the average credit limit was \$13,863.

A. Current Composition and Distribution of the Accounts

In this Section A, we have set forth additional information below about the Accounts that are designated for the Trust.

*Geographic Distribution.* As of November 30, 2023, the following nine states had the largest Receivables balances and comprised over 50% of the Receivables:

<u>State</u>	<u>Percentage of Total Receivables</u>
Texas .....	8.72%
California .....	7.51%
New York .....	6.32%
Florida .....	6.20%

Ohio .....	4.46%
New Jersey .....	3.59%
Georgia .....	2.91%
Other States .....	49.01%
Total .....	<u>100.00%</u>

Since the largest amounts of outstanding Receivables were with cardmembers whose billing addresses were in Texas, California, New York, Florida, Illinois, Pennsylvania, Ohio, New Jersey and Georgia, adverse changes in the business or economic conditions in these states could have an adverse effect on the performance of the Receivables.

*Distribution of the Accounts by FICO® Score.* A FICO® score is a measurement derived from a proprietary credit scoring method owned by Fair Isaac Corporation to determine the likelihood that credit users will pay their bills. Although Fair Isaac Corporation discloses only limited information about the variables it uses to assess credit risk, those variables likely include, but are not limited to, debt level, credit history, payment patterns (including delinquency experience), and level of utilization of available credit. FICO® scores for any one individual may be determined by up to three independent credit bureaus. In determining whether to grant credit to a potential account holder, Discover Bank uses a FICO® score as reported by one particular credit bureau. Therefore, certain FICO® scores for an individual account holder based upon information collected by other credit bureaus could be different from the FICO® score used by Discover Bank. FICO® scores of an individual may change over time, depending on the conduct of the individual, including the individual's usage of his or her available credit, and changes in credit score technology used by Fair Isaac Corporation.

FICO® scores are based on independent, third-party information, the accuracy of which we cannot verify. Discover Bank does not use standardized credit scores, such as a FICO® score, alone to determine the credit limit or other terms that are approved or applied on an account. Rather, a FICO® score is one of many factors used by Discover Bank to assess an individual's credit and default risk prior to initially approving an account or changing the terms of an account. To the extent available, FICO® scores are generally obtained at origination of the account and monthly or quarterly thereafter. Because the composition of the Accounts designated for the Trust may change over time, this table is not necessarily indicative of FICO® scores at origination of the Accounts or the composition of the accounts in the Trust at any specific time thereafter.

The following table reflects the Receivables as of November 30, 2023, and the composition of Accounts by FICO® score as refreshed during November 2023:

<b>FICO® Credit Score Range<sup>(1)</sup></b>	<b>Receivables Outstanding (\$000)</b>	<b>Percentage of Total Receivables</b>
No Score .....	\$ 17,328	0.06%
Less than 600 .....	\$ 636,872	2.12%
600 to 659 .....	\$ 1,490,088	4.96%
660 to 719 .....	\$ 7,203,346	23.98%
720 and above .....	\$ 20,688,365	68.88%
Total .....	<u>\$ 30,035,999</u>	<u>100.00%</u>

(1) FICO® is federally registered service mark of Fair Isaac Corporation.

**B. Payment and Balance Reduction Rates**

In this Section B, we have set forth additional information regarding payment and other balance reduction experience of the Accounts for the noted periods.

*Minimum Monthly Payment and Full Balance Payment Rates.* Discover Bank calculates the monthly rate of cardmembers that made payments equal to the contractual monthly minimum payment due (but less than full payment), and the monthly rate of cardmembers that paid the full balance per their statement as a percentage of the total Accounts in each case as of the beginning of the month. The rates below are the monthly rates for the Accounts as of the month ended November 30, 2023.

	<b>Month Ended November 30, 2023</b>
Minimum Monthly Payment Rate .....	<u>5.99%</u>
Full Balance Payment Rate .....	25.35%

*Balance Reductions.* The Accounts designated for the Trust may have balance reductions granted for a number of reasons, including merchandise refunds, returns, and fraudulent charges. As of the eleven months ended November 30, 2023, the average monthly balance reduction rate for the Accounts designated for the Trust attributable to such refunds, returns and cardmember fraud was 0.80%.

C. Static Pool Information

Although we have previously provided static pool information (delinquency rates, charge-off rates, payment rates and yield) regarding the historical performance of the receivables for the Accounts based on the date of their origination, we are not providing such information in this filing because 100% of the Accounts are now 60 or more months past the date on which they were originated.
