In any case where notice to Registered Noteholders is given by mail, facsimile, electronic transmission or delivery neither the failure to mail, send by facsimile, send by electronic transmission or deliver such notice, nor any defect in any notice so mailed, to any particular Noteholders will affect the sufficiency of such notice with respect to other Noteholders and any notice that is mailed, sent by facsimile, sent by electronic transmission or delivered in the manner herein provided shall conclusively have been presumed to have been duly given.

Where this Indenture, any Asset Pool Supplement, any Indenture Supplement or any Registered Note provides for notice in any manner, such notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and such waiver will be the equivalent of such notice. (b) In case, by reason of the suspension of regular mail service as a result of a strike, work stoppage or otherwise, it will be impractical to mail notice of any event to any Holder of a Registered Note when such notice is required to be given pursuant to any provision of this Indenture, then any method of notification as will be satisfactory to the Indenture Trustee and the Issuer will be deemed to be a sufficient giving of such notice.

(c) No notice will be given by mail, facsimile, electronic transmission or otherwise delivered to a Holder of Bearer Notes or coupons in bearer form. In the case of any Series, Class or Tranche with respect to which any Bearer Notes are Outstanding, any notice required or permitted to be given to Holders of such Bearer Notes will be published in an Authorized Newspaper within the time period prescribed in this Indenture or the applicable Indenture Supplement.

If any provision of this Indenture modifies or excludes any provision of the Trust Indenture Act that may be so modified or excluded, the latter provision will be deemed to apply to this Indenture as so modified or excluded, as the case may be.

Section 204. Notes Issuable in the Form of a Global Note.

(a) If the Issuer establishes pursuant to Sections 202 and 301 that the Notes of a particular Series, Class or Tranche are to be issued in whole or in part in the form of one or more Global Notes, then the Issuer will execute and the Indenture Trustee or its agent will, in accordance with Section 303 and the Issuer Certificate delivered to the Indenture Trustee or its agent thereunder, authenticate and deliver, such Global Note or Notes, which, unless otherwise provided in the applicable Indenture Supplement (i) will represent, and will be denominated in an amount equal to the aggregate Stated Principal Amount (or in the case of Discount Notes, the aggregate Stated Principal Amount at the Expected Principal Payment Date of such Notes) of the Outstanding Notes of such Series, Class or Tranche to be represented by such Global Note or Notes, or such portion thereof as the Issuer will specify in an Issuer Certificate, (ii) in the case of Registered Notes, will be registered in the name of the Depository for such Global Note or Notes or its nominee, (iii) will be delivered by the Indenture Trustee or its agent to the Depository or pursuant to the Depository's instruction, (iv) if applicable, will bear a legend substantially to the following effect: "Unless this Note is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Issuer or its agent for registration of transfer, exchange or payment, and any Note issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), any transfer, pledge or other use hereof for value or otherwise by or to any person is wrongful inasmuch as the registered owner hereof, Cede & Co., has an interest herein" and (v) may bear such other legend as the Issuer, upon advice of counsel, deems to be applicable.

(b) Notwithstanding any other provisions of this Section 204 or of Section 305, and subject to the provisions of paragraph (c) below, unless the terms of a Global Note or the applicable Indenture Supplement expressly permit such Global Note to be exchanged in whole or in part for individual Notes, a Global Note may be transferred, in whole but not in part and in the manner provided in Section 305, only to a nominee of the Depository for such Global Note, or to the Depository, or a successor Depository for such Global Note selected or approved by the Issuer, or to a nominee of such successor Depository.

(c) With respect to Notes issued within the United States, unless otherwise specified in the applicable Indenture Supplement, or with respect to Notes issued outside the United States, if specified in the applicable Indenture Supplement:

(i) If at any time the Depository for a Global Note notifies the Issuer that it is unwilling or unable to continue as Depository for such Global Note or if at any time the Depository for the Notes for such Series, Class or Tranche ceases to be a clearing agency registered under the Securities Exchange Act, or other applicable statute or regulation, the Issuer will appoint a successor Depository with respect to such Global Note. If a successor Depository for such Global Note is not appointed by the Issuer within ninety (90) days after the Issuer receives such notice or becomes aware of such ineligibility, the Issuer will execute, and the Indenture Trustee or its agent, upon receipt of an Issuer Certificate requesting the authentication and delivery of individual Notes of such Series, Class or Tranche in exchange for such Global Note, will authenticate and deliver, individual Notes of such Series, Class or Tranche of like tenor and terms in an aggregate Stated Principal Amount equal to the Stated Principal Amount of the Global Note in exchange for such Global Note.

(ii) The Issuer may at any time and in its sole discretion determine that the Notes of any Series, Class or Tranche or portion thereof issued or issuable in the form of one or more Global Notes will no longer be represented by such Global Note or Notes. In such event the Issuer will execute, and the Indenture Trustee, upon receipt of a written request by the Issuer for the authentication and delivery of individual Notes of such Series, Class or Tranche in exchange in whole or in part for such Global Note, will authenticate and deliver individual Notes of such Series, Class or Tranche of like tenor and terms in definitive form in an aggregate Stated Principal Amount equal to the Stated Principal Amount of such Global Note or Notes representing such Series, Class or Tranche or portion thereof in exchange for such Global Note or Notes.

(iii) If specified by the Issuer pursuant to Sections 202 and 301 with respect to Notes issued or issuable in the form of a Global Note, the Depository for such Global Note may surrender such Global Note in exchange in whole or in part for individual Notes of such Series, Class or Tranche of like tenor and terms in definitive form on such terms as are acceptable to the Issuer and such Depository. Thereupon the Issuer will execute, and the Indenture Trustee or its agent will authenticate and deliver, without service charge, (A) to each Person specified by such Depository a new Note or Notes of the same Series, Class or Tranche of like tenor and terms and of any authorized denomination as requested by such Person in aggregate Stated Principal Amount equal to and in exchange for such Person's beneficial interest in the Global Note; and (B) to such Depository a new Global Note of like tenor and terms and in an authorized denomination equal to the difference, if any, between the Stated Principal Amount of the surrendered Global Note and the aggregate Stated Principal Amount of Notes delivered to the Holders thereof.

(iv) If any Event of Default has occurred and is continuing with respect to such Global Notes, and Holders of Notes evidencing more than 50% of the unpaid Outstanding Dollar Principal Amount of the Global Notes of that Series, Class or Tranche advise the Indenture Trustee and the Depository that a Global Note is no longer in the

best interest of the Noteholders, the Holders of Global Notes of that Tranche may exchange such Notes for individual Notes.

(v) In any exchange provided for in any of the preceding four paragraphs, the Issuer will execute and the Indenture Trustee or its agent will authenticate and deliver individual Notes in definitive registered form in authorized denominations. Upon the exchange of the entire Stated Principal Amount of a Global Note for individual Notes, such Global Note will be canceled by the Indenture Trustee or its agent. Except as provided in the preceding paragraphs, Notes issued in exchange for a Global Note pursuant to this Section will be registered in such names and in such authorized denominations as the Depository for such Global Note, pursuant to instructions from its direct or indirect participants or otherwise, will instruct the Indenture Trustee or the Note Registrar. The Indenture Trustee or the Note Registrar will deliver such Notes to the Persons in whose names such Notes are so registered.

Section 205. Temporary Global Notes and Permanent Global Notes.

(a) If specified in the applicable Indenture Supplement for any Tranche, all or any portion of a Global Note may initially be issued in the form of a single temporary global Bearer Note or Registered Note (the “Temporary Global Note”), without interest coupons, in the denomination of the entire aggregate principal amount of such Series, Class or Tranche and substantially in the form set forth in the exhibit with respect thereto attached to the applicable Indenture Supplement. The Temporary Global Note will be authenticated by the Indenture Trustee upon the same conditions, in substantially the same manner and with the same effect as the Notes in definitive form. The Temporary Global Note may be exchanged as described below or in the applicable Indenture Supplement for permanent global Bearer Notes or Registered Notes (the “Permanent Global Notes”).

(b) Unless otherwise provided in the applicable Indenture Supplement, exchanges of beneficial interests in or security entitlements to Temporary Global Notes for beneficial interests in or security entitlements to Permanent Global Notes will be made as provided in this clause. The Beneficiary will, upon its determination of the date of completion of the distribution of the Notes of such Series, Class or Tranche, so advise the Indenture Trustee, the Issuer, the Foreign Depository, and each foreign clearing agency forthwith. Without unnecessary delay, but in any event not prior to the Exchange Date, the Issuer will execute and deliver to the Indenture Trustee at the office of its designated agent outside the United States Permanent Global Notes in bearer or registered form (as specified in the applicable Indenture Supplement) in an aggregate principal amount equal to the Outstanding Dollar Principal Amount of such Series, Class or Tranche of Notes. Bearer Notes so issued and delivered may have coupons attached. The Temporary Global Note may be exchanged for an equal aggregate principal amount of Permanent Global Notes only on or after the Exchange Date. A United States Person may exchange its beneficial interest in or security entitlement to the Temporary Global Note only for an equal aggregate principal amount of Permanent Global Notes in registered form bearing the applicable legend set forth in the form of Registered Note attached to the applicable Indenture Supplement and having a minimum denomination of \$500,000, which may be in temporary form if the Issuer so elects. The Issuer may waive the \$500,000 minimum denomination requirement if it so elects. Upon any demand for exchange for Permanent Global Notes in accordance with this clause, the Issuer will cause the Indenture Trustee to authenticate

and deliver the Permanent Global Notes to the Holder (x) outside the United States, in the case of Bearer Notes and (y) according to the instructions of the Holder, in the case of Registered Notes, but in either case only upon presentation to the Indenture Trustee of a written statement substantially in the form of [Exhibit B-1](#) (or such other form as the Issuer may determine) with respect to the Temporary Global Note, or portion thereof being exchanged, signed by a foreign clearing agency or Foreign Depository and dated the Exchange Date or a subsequent date, to the effect that it has received in writing or by tested telex a certification substantially in the form of (i) in the case of beneficial ownership of the Temporary Global Note, or a portion thereof being exchanged, by a United States institutional investor pursuant to this clause, the certificate in the form of [Exhibit B-2](#) (or such other form as the Issuer may determine) signed by the Beneficiary which sold the relevant Notes or (ii) in all other cases, the certificate in the form of [Exhibit B-3](#) (or such other form as the Issuer may determine), the certificate referred to in this clause (ii) being dated on the earlier of the first payment of interest in respect of such Note and the date of the delivery of such Note in definitive form. Upon receipt of such certification, the Indenture Trustee will cause the Temporary Global Note to be endorsed in accordance with clause (d). Any exchange as provided in this Section will be made free of charge to the Holders and the beneficial owners of the Temporary Global Note and to the beneficial owners of the Permanent Global Note issued in exchange, except that a Person receiving the Permanent Global Note must bear the cost of insurance, postage, transportation and the like in the event that such Person does not receive such Permanent Global Note in person at the offices of a foreign clearing agency or Foreign Depository.

(c) The delivery to the Indenture Trustee by a foreign clearing agency or Foreign Depository of any written statement referred to above may be relied upon by the Issuer and the Indenture Trustee as conclusive evidence that a corresponding certification or certifications has or have been delivered to such foreign clearing agency pursuant to the terms of this Indenture.

(d) Upon any such exchange of all or a portion of the Temporary Global Note for a Permanent Global Note or Notes, such Temporary Global Note will be endorsed by or on behalf of the Indenture Trustee to reflect the reduction of its principal amount by an amount equal to the aggregate principal amount of such Permanent Global Note or Notes. Until so exchanged in full, such Temporary Global Note will in all respects be entitled to the same benefits under this Indenture as Permanent Global Notes authenticated and delivered hereunder except that the beneficial owners of such Temporary Global Note will not be entitled to receive payments of interest on the Notes until they have exchanged their beneficial interests or security entitlements to in such Temporary Global Note for Permanent Global Notes.

Section 206. [Beneficial Ownership of Global Notes](#). Until definitive Notes have been issued to the applicable Noteholders pursuant to [Section 204](#) or as otherwise specified in any applicable Indenture Supplement:

(a) the Issuer and the Indenture Trustee may deal with the applicable clearing agency or Depository and the clearing agency's or Depository's participants for all purposes (including the making of distributions) as the authorized representatives of the respective Note Owners; and

(b) the rights of the respective Note Owners will be exercised only through the applicable clearing agency or Depository and the clearing agency's or Depository's participants and will be limited to those established by law and agreements between such Note Owners and the clearing agency or Depository and/or the clearing agency's or Depository's participants. Pursuant to the operating rules of the applicable clearing agency, unless and until Notes in definitive form are issued pursuant to Section 204, the clearing agency or Depository will make book-entry transfers among the clearing agency's or Depository's participants and receive and transmit distributions of principal and interest on the related Notes to such clearing agency's or Depository's participants.

For purposes of any provision of this Indenture requiring or permitting actions with the consent of, or at the direction of, Noteholders evidencing a specified percentage of the Outstanding Dollar Principal Amount of Outstanding Notes, such direction or consent may be given by Note Owners (acting through the clearing agency and the clearing agency's participants) owning interests in or security entitlements to Notes evidencing the requisite percentage of principal amount of Notes.

Section 207. [Notices to Depository](#). Whenever any notice or other communication is required to be given to Noteholders with respect to which book-entry Notes have been issued, unless and until Notes in definitive form will have been issued to the related Note Owners, the Indenture Trustee will give all such notices and communications to the applicable clearing agency or Depository.

(j) The form of the Notes of each Series, Class or Tranche will be established pursuant to the provisions of this Indenture and the related Indenture Supplement or Terms Document creating such Series, Class or Tranche. The Notes of each Series, Class or Tranche will be distinguished from the Notes of each other Series, Class or Tranche in such manner, reasonably satisfactory to the Indenture Trustee, as the Issuer may determine.

(k) Any terms or provisions in respect of the Notes of any Series, Class or Tranche issued under this Indenture may be determined pursuant to this Section by providing in the applicable Indenture Supplement for the method by which such terms or provisions will be determined.

Section 302. Denominations. The Notes of each Series, Class or Tranche will be issuable in such denominations and currency as will be provided in the provisions of this Indenture or in or pursuant to the applicable Indenture Supplement. (b) Notes bearing the manual or facsimile signatures of individuals who were at any time an Issuer Authorized Officer will bind the Issuer, notwithstanding that such individuals or any of them have ceased to hold such offices before the authentication and delivery of such Notes or did not hold such offices at the date of issuance of such Notes.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Issuer may deliver Notes executed by the Issuer to the Indenture Trustee for authentication; and the Indenture Trustee will, upon request by an Officer's Certificate, authenticate and deliver such Notes as in this Indenture provided and not otherwise.

(d) Before any such authentication and delivery, the Indenture Trustee will be entitled to receive, in addition to any Officer's Certificate and Opinion of Counsel required to be furnished to the Indenture Trustee pursuant to Section 102, the Issuer Certificate and any other opinion or certificate relating to the issuance of the Series, Class or Tranche of Notes required to be furnished pursuant to Section 202 or Section 310.

(e) The Indenture Trustee will not be required to authenticate such Notes if the issue thereof will adversely affect the Indenture Trustee's own rights, duties or immunities under the Notes and this Indenture.

(f) Unless otherwise provided in the form of Note for any Series, Class or Tranche, all Notes will be dated the date of their authentication.

(g) No Note will be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a Certificate of Authentication substantially in the form provided for herein executed by the Indenture Trustee by manual signature of an authorized signatory, and such certificate upon any Note will be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder.

Section 304. Temporary Notes.

(a) Pending the preparation of definitive Notes of any Series, Class or Tranche, the Issuer may execute, and, upon receipt of the documents required by Section 303, together with an Officer's Certificate, the Indenture Trustee will authenticate and deliver, temporary Notes which are printed, lithographed, typewritten, mimeographed or otherwise produced, in any authorized denomination, substantially of the tenor of the definitive Notes in lieu of which they are issued and with such appropriate insertions, omissions, substitutions and other variations as the Issuer may determine, as evidenced by the Issuer's execution of such Notes.

(b) If temporary Notes of any Series, Class or Tranche are issued, the Issuer will cause definitive Notes of such Series, Class or Tranche to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes of such Series, Class or Tranche will be exchangeable for definitive Notes of such Series, Class or Tranche upon surrender of the temporary Notes of such Series, Class or Tranche at the office or agency of the Issuer in a Place of Payment, without charge to the Holder; and upon surrender for cancellation of any one or more temporary Notes the Issuer will execute and the Indenture Trustee will authenticate and deliver in exchange therefor a like Stated Principal Amount of definitive Notes of such Series, Class or Tranche of authorized denominations and of like tenor and terms. Until so exchanged the temporary Notes of such Series, Class or Tranche will in all respects be entitled to the same benefits under this Indenture as definitive Notes of such Series, Class or Tranche.

Section 305. Registration, Transfer and Exchange.

(a) The Issuer will keep or cause to be kept a register (herein sometimes referred to as the "Note Register") in which, subject to such reasonable regulations as it may prescribe, the Issuer will provide for the registration of Registered Notes, or of Registered Notes of a particular Series, Class or Tranche, and for transfers of Registered Notes or of Registered

Notes of such Tranche. Any such register will be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times the information contained in such register or registers will be available for inspection by the Indenture Trustee at the office or agency to be maintained by the Issuer as provided in Section 1002.

(b) Subject to Section 204, upon surrender for transfer of any Registered Note of any Series, Class or Tranche at the office or agency of the Issuer in a Place of Payment, if the requirements of Section 8-401(a) of the UCC are met, the Issuer will execute, and, upon receipt of such surrendered Note, the Indenture Trustee will authenticate and deliver, in the name of the designated transferee or transferees, one or more new Registered Notes of such Series, Class or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Expected Principal Payment Date and Legal Maturity Date and of like terms.

(c) Subject to Section 204, at the option of the Holder, Notes of any Series, Class or Tranche may be exchanged for other Notes of such Series, Class or Tranche of any authorized denominations, of a like aggregate Stated Principal Amount, Expected Principal Payment Date and Legal Maturity Date and of like terms, upon surrender of the Notes to be exchanged at such office or agency. Registered Notes, including Registered Notes received in exchange for Bearer Notes, may not be exchanged for Bearer Notes. At the option of the Holder of a Bearer Note, subject to applicable laws and regulations, Bearer Notes may be exchanged for other Bearer Notes or Registered Notes (of the same Series, Class and Tranche of Notes) of authorized denominations of like aggregate fractional undivided interests in the Noteholders' interest, upon surrender of the Bearer Notes to be exchanged at an office or agency of the Note Registrar located outside the United States. Each Bearer Note surrendered pursuant to this Section will have attached thereto all unmatured coupons; provided, however, that any Bearer Note so surrendered after the close of business on the last day of the month preceding the relevant Payment Date need not have attached the coupon relating to such Payment Date. Whenever any Notes are so surrendered for exchange, the Issuer will execute, and the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), the Notes which the Noteholders making the exchange are entitled to receive.

(d) All Notes issued upon any transfer or exchange of Notes will be the valid and legally binding obligations of the Issuer, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Notes surrendered upon such transfer or exchange.

(e) Every Note presented or surrendered for transfer or exchange will (if so required by the Issuer or the Indenture Trustee) be duly indorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Note Registrar duly executed, by the Holder thereof or his attorney duly authorized in writing.

(f) Unless otherwise provided in the Note to be transferred or exchanged, no service charge will be made on any Noteholder for any transfer or exchange of Notes, but the Issuer may (unless otherwise provided in such Note) require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Notes before the transfer or exchange will be complete, other than exchanges pursuant to Section 304 or 906 not involving any transfer.

(g) None of the Issuer, the Note Registrar or the Indenture Trustee shall be required (i) to issue, register the transfer of or exchange any Notes of any Series, Class or Tranche during a period beginning at the opening of business 15 days before the day of selection of Notes of such Series, Class or Tranche to be redeemed and ending at the close of business on (A) if Notes of such Series, Class or Tranche are issuable only as Registered Notes, the day of the mailing of the relevant notice of redemption of Registered Notes of such Series, Class or Tranche so selected for redemption or (B) if Notes of the Series, Class or Tranche are issuable as Bearer Notes, the day of the first publication of the relevant notice of redemption or, if Notes of the Series, Class or Tranche are also issuable as Registered Notes and there is no publication, the mailing of the relevant notice of redemption or (ii) to register the transfer or exchange of any Notes or portions thereof so selected for redemption.

Notwithstanding anything herein to the contrary, the exchange of Bearer Notes into Registered Notes shall be subject to applicable laws and regulations in effect at the time of exchange; none of the Issuer, the Indenture Trustee or the Note Registrar shall exchange any Bearer Notes into Registered Notes if it has received an Opinion of Counsel that as a result of such exchanges the Issuer or any Transferor would suffer adverse consequences under the United States federal income tax laws and regulations then in effect and the Issuer has delivered to the Indenture Trustee an Issuer Certificate directing the Indenture Trustee not to make such exchanges unless and until the Indenture Trustee receives a subsequent Issuer Certificate to the contrary. The Issuer shall deliver copies of such Issuer Certificates to the Note Registrar.

(g) None of the Issuer, the Indenture Trustee, any agent of the Indenture Trustee, any Paying Agent or the Note Registrar will have any responsibility or liability for any aspect of the records relating to or payments made on account of beneficial ownership of a Global Note or for maintaining, supervising or reviewing any records relating to such beneficial ownership.

(h) The Issuer initially appoints The Bank of New York to act as Note Registrar for the Registered Notes on its behalf. The Issuer may at any time and from time to time authorize any Person to act as Note Registrar in place of the Indenture Trustee with respect to any Series, Class or Tranche of Notes issued under this Indenture.

(i) Registration of transfer of Notes containing the following legend or to which the following legend is applicable:

“THIS NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”). NEITHER THIS NOTE NOR ANY PORTION HEREOF MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE WITH THE REGISTRATION PROVISIONS OF THE SECURITIES ACT AND ANY APPLICABLE PROVISIONS OF ANY STATE BLUE SKY OR SECURITIES LAWS OR PURSUANT TO AN AVAILABLE EXEMPTION FROM SUCH REGISTRATION PROVISIONS. THE TRANSFER OF THIS NOTE IS SUBJECT TO CERTAIN CONDITIONS SET FORTH IN THE INDENTURE REFERRED TO HEREIN.”

will be effected only if such transfer is made pursuant to an effective registration statement under the Securities Act, or is exempt from the registration requirements under the Securities Act. In the event that registration of a transfer is to be made in reliance upon an exemption from the registration requirements under the Securities Act other than Rule 144A under the Securities Act or Rule 903 or Rule 904 of Regulation S under the Securities Act, the transferor or the transferee will deliver, at its expense, to the Issuer and the Indenture Trustee, an investment letter from the transferee, substantially in the form of the investment letter attached hereto as Exhibit A or such other form as the Issuer may determine, and no registration of transfer will be made until such letter is so delivered.

Notes issued upon registration or transfer of, or Notes issued in exchange for, Notes bearing the legend referred to above will also bear such legend unless the Issuer, the Indenture Trustee and the Note Registrar receive an Opinion of Counsel, satisfactory to each of them, to the effect that such legend may be removed.

Whenever a Note containing the legend referred to above is presented to the Note Registrar for registration of transfer, the Note Registrar will promptly seek instructions from the Issuer regarding such transfer and will be entitled to receive an Issuer Certificate prior to registering any such transfer. The Issuer hereby agrees to indemnify the Note Registrar and the Indenture Trustee and to hold each of them harmless against any loss, liability or expense incurred without negligence or bad faith on their part arising out of or in connection with actions taken or omitted by them in relation to any such instructions furnished pursuant to this clause. The Indenture Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

Section 306. Mutilated, Destroyed, Lost and Stolen Notes.

(a) If (i) any mutilated Note (together, in the case of Bearer Notes, with all unmatured coupons, if any, appertaining thereto) is surrendered to the Indenture Trustee or the Note Registrar, or the Issuer, the Note Registrar or the Indenture Trustee receive evidence to their satisfaction of the destruction, loss or theft of any Note, and (ii) there is delivered to the Issuer, the Note Registrar or the Indenture Trustee such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the Issuer, the Note Registrar or the Indenture Trustee that such Note has been acquired by a protected purchaser, the Issuer will execute and upon its request the Indenture Trustee will authenticate and deliver (in the case of Bearer Notes, outside the United States), in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Note, a new Note of like tenor, Series, Class or Tranche, Expected Principal Payment Date, Legal Maturity Date and Stated Principal Amount, bearing a number not contemporaneously Outstanding.

(b) In case any such mutilated, destroyed, lost or stolen Note has become or is about to become due and payable, the Issuer in its discretion may, instead of issuing a new Note, pay such Note.

(c) Upon the issuance of any new Note under this Section, the Issuer may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Indenture Trustee) connected therewith.

(d) Every new Note issued pursuant to this Section in lieu of any destroyed, lost or stolen Note will constitute an original additional contractual obligation of the Issuer, whether or not the destroyed, lost or stolen Note will be at any time enforceable by anyone, and will be entitled to all the benefits of this Indenture equally and proportionately with any and all other Notes of the same Series, Class or Tranche duly issued hereunder.

(e) The provisions of this Section are exclusive and will preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Notes.

Section 307. Payment of Interest; Interest Rights Preserved; Withholding Taxes.

(a) Unless otherwise provided with respect to such Note pursuant to Section 301, interest payable on any Registered Note will be paid to the Person in whose name that Note (or one or more Predecessor Notes) is registered at the close of business on the most recent Record Date and interest payable on any Bearer Note will be paid to the bearer of that Note (or the applicable coupon).

(b) Subject to clause (a), each Note delivered under this Indenture upon transfer of or in exchange for or in lieu of any other Note will carry the rights to interest accrued or principal accreted and unpaid, and to accrue or accrete, which were carried by such other Note.

(c) The right of any Noteholder to receive interest on or principal of any Note shall be subject to any applicable withholding or deduction imposed pursuant to the Internal Revenue Code or other applicable tax law, including foreign withholding and deduction. Any amounts properly so withheld or deducted shall be treated as actually paid to the appropriate Noteholder.

Section 308. Persons Deemed Owners. Title to any Bearer Note, including any coupons appertaining thereto, shall pass by delivery. The Issuer, the Indenture Trustee, the Owner Trustee, the Beneficiary and any agent of the Issuer, the Indenture Trustee, the Owner Trustee or the Beneficiary may treat the Person who is proved to be the owner of such Note pursuant to Subsection 104(c) as the owner of such Note for the purpose of receiving payment of principal of and (subject to Section 307) interest on such Note and for all other purposes whatsoever, whether or not such Note is overdue, and neither the Issuer, the Indenture Trustee, the Owner Trustee, nor any agent of the Issuer, the Indenture Trustee, the Owner Trustee or the Beneficiary will be affected by notice to the contrary.

Section 309. Cancellation. All Notes surrendered for payment, redemption, transfer, conversion or exchange will, if surrendered to any Person other than the Indenture Trustee, be delivered to the Indenture Trustee and, if not already canceled, will be promptly canceled by it. The Issuer may at any time deliver to the Indenture Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Issuer may have acquired in

any manner whatsoever, and all Notes so delivered will be promptly canceled by the Indenture Trustee. No Note will be authenticated in lieu of or in exchange for any Notes canceled as provided in this Section, except as expressly permitted by this Indenture. The Indenture Trustee will dispose of all canceled Notes in accordance with its customary procedures and will deliver a certificate of such disposition to the Issuer.

Section 310. [New Issuances of Notes.](#)

(a) Unless otherwise specified in the related Indenture Supplement, the Issuer may issue new Notes of any Series, Class or Tranche, so long as the following conditions precedent are satisfied:

(i) on or prior to the third Business Day before the date that the new issuance is to occur, the Issuer delivers to the Indenture Trustee and each Note Rating Agency notice of such new issuance;

(ii) on or prior to the date that the new issuance is to occur, the Issuer delivers to the Indenture Trustee and each Note Rating Agency an Issuer Certificate to the effect that:

(A) the Issuer reasonably believes that the new issuance will not cause an Adverse Effect on any Outstanding Notes;

(B) all instruments furnished to the Indenture Trustee conform to the requirements of this Indenture and constitute sufficient authority hereunder for the Indenture Trustee to authenticate and deliver such Notes;

(C) the form and terms of such Notes have been established in conformity with the provisions of this Indenture; and

(D) such other matters as the Indenture Trustee may reasonably request;

(iii) on or prior to the date that the new issuance is to occur, the Issuer will have delivered to the Indenture Trustee and each Note Rating Agency an Opinion of Counsel, which may be from internal counsel of the Issuer, that all laws and requirements with respect to the execution and delivery by the Issuer of such Notes have been complied with, the Issuer has the trust power and authority to issue such Notes and such Notes have been duly authorized and delivered by the Issuer and, assuming due authentication and delivery by the Indenture Trustee, constitute legal, valid and binding obligations of the Issuer enforceable in accordance with their terms (subject, as to enforcement of remedies, to applicable bankruptcy, reorganization, insolvency, moratorium or other laws and legal principles affecting creditors' rights generally from time to time in effect and to general equitable principles, whether applied in an action at law or in equity) and are entitled to the benefits of this Indenture, equally and ratably with all other Outstanding Notes, if any, of such Series, Class or Tranche, subject to the terms of this Indenture, each Indenture Supplement and each Terms Document;

(iv) on or prior to the date that the new issuance is to occur, the Issuer will have delivered to the Indenture Trustee and the Note Rating Agencies a Master Trust Tax Opinion for each applicable Master Trust and an Issuer Tax Opinion with respect to such issuance;

(v) if any additional conditions to the new issuance are specified in writing by a Note Rating Agency to the Issuer, either (A) the Issuer satisfies such conditions or (B) the Issuer obtains confirmation from the applicable Note Rating Agency that the new issuance will not have a Ratings Effect on any Outstanding Notes;

(vi) in the case of Bearer Notes described in Section 163(f)(2)(A) of the Internal Revenue Code, such Notes shall be described in section 163(f)(2)(B) of the Internal Revenue Code and such section shall apply to such Notes;

(vii) on or prior to the date that the new issuance is to occur, the Issuer will have delivered to the Indenture Trustee an Indenture Supplement and, if applicable, the Issuer Certificate or on or before the date that the new issuance is to occur, the Issuer will have executed with the Indenture Trustee a Terms Document relating to the applicable Class or Tranche of Notes;

(viii) in the case of Foreign Currency Notes, the Issuer will have appointed one or more Paying Agents in the appropriate countries;

(ix) the conditions specified herein or in Section 311; and

(x) any other conditions specified in the applicable Indenture Supplement;

provided, however, that any one of the aforementioned conditions may be eliminated (other than clause (iv)) or modified as a condition precedent to any new issuance of a Series, Class or Tranche of Notes if the Issuer has obtained approval from each Note Rating Agency.

(b) The Issuer and the Indenture Trustee will not be required to provide prior notice to or to obtain the consent of any Noteholder of any Outstanding Series, Class or Tranche to issue any additional Notes of any Series, Class or Tranche. In addition, the Issuer agrees to provide notice of new issuances of Series, Classes or Tranches of Notes as may be required by and in accordance with Item 1121(a)(14) of Regulation AB.

(c) There are no restrictions on the timing or amount of any additional issuance of Notes of an Outstanding Class or Tranche of a Series of Notes, so long as the conditions described in Subsection 310(a) are met or waived. As of the date of any additional issuance of Notes of an Outstanding Class or Tranche of Notes, the Stated Principal Amount, Outstanding Dollar Principal Amount and Nominal Liquidation Amount of that Class or Tranche will be increased to reflect the principal amount of the additional Notes. If the additional Notes are a Class or Tranche of Notes that has the benefit of a Derivative Agreement, the Issuer will enter into a Derivative Agreement for the benefit of the additional Notes. In addition, if the additional Notes are a Class or Tranche of Notes that has the benefit of any Supplemental Credit Enhancement Agreement or any Supplemental Liquidity Agreement, the Issuer will enter into a Supplemental Credit Enhancement Agreement or Supplemental Liquidity Agreement, as

applicable, for the benefit of the additional Notes. Furthermore, the targeted deposits, if any, to any applicable Issuer Account will be increased proportionately to reflect the principal amount of the additional Notes.

When issued, the additional Notes of a Tranche will be identical in all respects to the other Outstanding Notes of that Tranche and will be equally and ratably entitled to the benefits of the Indenture, the related Asset Pool Supplement and the related Indenture Supplement applicable to the previously issued Notes of such Tranche, as the other Outstanding Notes of that Tranche without preference, priority or distinction.

Section 311. Specification of Required Subordinated Amount and other Terms with Respect to each Series, Class or Tranche of Notes.

(a) The applicable Indenture Supplement for each Series, Class or Tranche of Notes will specify a Required Subordinated Amount of each Subordinated Class or Tranche of Notes, if any.

(b) The Issuer may change the Required Subordinated Amount or method of computing such amount for any Class or Tranche of Notes at any time, without the consent of any Noteholders, so long as the Issuer has (i) received confirmation from the Note Rating Agencies that have rated any Outstanding Notes of the Series to which such Class or Tranche belongs that the change in the Required Subordinated Amount will not result in a Ratings Effect with respect to any Outstanding Notes of such Series and (ii) delivered to the Indenture Trustee and the Note Rating Agencies an Issuer Tax Opinion.

ARTICLE IV

ISSUER ACCOUNTS AND INVESTMENTS

Section 401. Collections. Except as otherwise expressly provided herein, the Indenture Trustee may demand payment or delivery of, and shall receive and collect, directly and without intervention or assistance from any fiscal agent or other intermediary, all money and other property payable to or receivable by the Indenture Trustee pursuant to this Indenture including, without limitation, all funds and other property payable to the Indenture Trustee in connection with the Collateral designated for inclusion in each Asset Pool. The Indenture Trustee will hold all such money and property received by it as part of the Collateral designated for inclusion in each Asset Pool and will apply it as provided in this Indenture.

Section 402. Issuer Accounts.

(a) Issuer Accounts; Distributions from Issuer Accounts. On or before the date of initial issuance of Notes secured by the Collateral designated for inclusion in a specific Asset Pool, the Issuer will, pursuant to the related Asset Pool Supplement, cause to be established and maintained for such Asset Pool one or more Eligible Deposit Accounts (each such account as described in the related Asset Pool Supplement) in the name of the Indenture Trustee, bearing a designation clearly indicating that the funds deposited therein are held for the benefit of the Indenture Trustee and the applicable Noteholders. From time to time in connection with the issuance of a Series, Class or Tranche of Notes, the Issuer may cause the Indenture Trustee to establish one or more Eligible Deposit Accounts denominated as “Supplemental Issuer Accounts” in the name of the Indenture Trustee. Each Issuer Account shall be under the control (within the meaning of Section 9-104 or 9-106, as applicable, of the UCC) of the Indenture Trustee for the applicable Asset Pool for the benefit of the Indenture Trustee and the applicable Noteholders whose Notes are secured by the Collateral designated for inclusion in the applicable Asset Pool. Supplemental Issuer Accounts shall be created as specified in the applicable Asset Pool Supplement or Indenture Supplement. Any Supplemental Issuer Accounts will receive deposits as specified in the applicable Asset Pool Supplement or Indenture Supplement. If, at any time, the institution holding any Issuer Account ceases to be an Eligible Institution, the Issuer shall within ten (10) Business Days (or such longer period, not to exceed thirty (30) calendar days, as to which each Note Rating Agency may consent in writing) establish a new Issuer Account that is an Eligible Deposit Account and shall transfer any cash and/or investments from the existing Issuer Account to such new Issuer Account.

(b) All payments to be made from time to time by or on behalf of the Indenture Trustee to Noteholders out of funds in the Issuer Accounts for a particular Asset Pool pursuant to this Indenture will be made as provided in the Asset Pool Supplement or the applicable Indenture Supplement but only to the extent funds are available in the applicable Issuer Accounts.

Section 403. Investment of Funds in the Issuer Accounts.

(a) Funds on deposit in the Issuer Accounts will (unless otherwise stated in the applicable Asset Pool Supplement or Indenture Supplement) be invested and reinvested by

the Indenture Trustee at the written direction of the Issuer in one or more Eligible Investments. Absent such written direction, the Indenture Trustee shall invest funds in the Eligible Investments described in clause (f) of the definition thereof. The Issuer may authorize the Indenture Trustee to make specific investments pursuant to written instructions, in such amounts as the Issuer will specify. Notwithstanding the foregoing, funds held by the Indenture Trustee in any of the Issuer Accounts will be invested in Eligible Investments that will mature in each case no later than the date on which such funds in the Issuer Accounts are scheduled to be transferred or distributed by the Indenture Trustee pursuant to this Indenture (or as necessary to provide for timely payment of principal or interest on the applicable Principal Payment Date or Interest Payment Date).

(b) All funds deposited from time to time in the Issuer Accounts pursuant to this Indenture and all investments made with such funds will be held by the Indenture Trustee in the Issuer Accounts as part of the Collateral designated for inclusion in such Asset Pool as herein provided, subject to withdrawal by the Indenture Trustee for the purposes set forth herein.

(c) Funds and other property in any of the Issuer Accounts will not be commingled with any other funds or property of the Issuer or the Indenture Trustee. The Indenture Trustee shall hold all Eligible Investments in a manner specified in the related Asset Pool Supplement; provided, that, other than following an Event of Default and acceleration pursuant to Section 602, no Eligible Investment shall be disposed of prior to its maturity.

(d) All interest and earnings (net of losses and investment expenses) on funds on deposit in the Issuer Account will be applied as specified in the applicable Asset Pool Supplement or Indenture Supplement. Unless otherwise stated in the related Asset Pool Supplement or Indenture Supplement, for purposes of determining the availability of funds or the balance in the Issuer Accounts for any reason under this Indenture or any Indenture Supplement, investment earnings on such funds shall be deemed not to be available or on deposit.

Subject to Subsection 701(d), the Indenture Trustee will not in any way be held liable by reason of any insufficiency in such Issuer Accounts resulting from any loss on any Eligible Investment included therein except for losses attributable to the Indenture Trustee's failure to make payments on such Eligible Investments issued by the Indenture Trustee, in its commercial capacity, in accordance with their terms.

(e) Funds on deposit in the Issuer Accounts will be invested and reinvested by the Indenture Trustee to the fullest extent practicable, in such manner as the Indenture Trustee will from time to time determine, but only in one or more Eligible Investments, upon the occurrence of any of the following events:

(i) the Issuer will have failed to give investment directions to the Indenture Trustee; or

(ii) an Event of Default will have occurred and is continuing but no Notes have been declared due and payable pursuant to Section 602.

ARTICLE V

SATISFACTION AND DISCHARGE; CANCELLATION OF NOTES HELD BY THE ISSUER OR THE BANK

Section 501. [Satisfaction and Discharge of Indenture](#). This Indenture will cease to be of further effect with respect to any Series, Class or Tranche of Notes (except as to any surviving rights of transfer or exchange of Notes of that Series, Class or Tranche expressly provided for herein or in the form of Note for that Series, Class or Tranche), and the Indenture Trustee, on demand of and at the expense of the Issuer, will execute proper instruments acknowledging satisfaction and discharge of this Indenture as to that Series, Class or Tranche, when:

(a) all Notes of that Series, Class or Tranche theretofore authenticated and delivered (other than (A) Notes of that Series, Class or Tranche which have been destroyed, lost or stolen and which have been replaced or paid as provided in [Section 306](#), and (B) Notes of that Series, Class or Tranche for whose payment money has theretofore been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from that trust, as provided in [Section 1003](#)) have been delivered to the Indenture Trustee canceled or for cancellation;

(b) the Issuer has paid or caused to be paid all other sums payable hereunder (including payments to the Indenture Trustee pursuant to [Section 707](#)) by the Issuer with respect to the Notes of that Series, Class or Tranche; and

(c) the Issuer has delivered to the Indenture Trustee an Officer's Certificate and an Opinion of Counsel each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture with respect to the Notes of that Series, Class or Tranche have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture with respect to any Series, Class or Tranche of Notes, the obligations of the Issuer to the Indenture Trustee with respect to that Series, Class or Tranche of Notes under [Section 707](#) and the obligations of the Indenture Trustee under [Sections 502](#) and [1003](#) will survive such satisfaction and discharge.

Section 502. [Application of Trust Money](#). All money and obligations deposited with the Indenture Trustee pursuant to [Sections 501](#) or [503](#) and all money received by the Indenture Trustee in respect of such obligations will be held in trust and applied by it, in accordance with the provisions of the Series, Class or Tranche of Notes in respect of which it was deposited and this Indenture, to the payment, either directly or through any Paying Agent (including the Issuer acting as its own Paying Agent) as the Indenture Trustee may determine, to the Persons entitled thereto, of the principal and interest for whose payment that money and obligations have been deposited with or received by the Indenture Trustee.

Section 503. [Cancellation of Notes Held by the Issuer or the Transferor](#). If the Issuer, the Transferor or any of their Affiliates holds any Notes, that Holder may, subject to any provisions of a related Indenture Supplement limiting the repayment of such Notes, by notice

from that Holder to the Indenture Trustee cause the Notes to be repaid and canceled, whereupon the Notes will no longer be Outstanding.

ARTICLE VI

EVENTS OF DEFAULT AND REMEDIES

Section 601. Events of Default. “Event of Default,” wherever used herein, means with respect to any Series, Class or Tranche of Notes any one of the following events (whatever the reason for such Event of Default and whether it will be voluntary or involuntary or be effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body), unless such event is either expressly stated to be inapplicable to a particular Series, Class or Tranche or specifically deleted or modified in the applicable Indenture Supplement creating such Series, Class or Tranche of Notes or in the form of Note for such Series, Class or Tranche:

(a) with respect to such Series, Class or Tranche of Notes, as applicable, a default by the Issuer in the payment of any interest on such Notes when such interest becomes due and payable, and continuance of such default for a period of thirty-five (35) days following the date on which such interest became due and payable;

(b) with respect to such Series, Class or Tranche of Notes, a default by the Issuer in the payment of the Stated Principal Amount of such Tranche of Notes at the applicable Legal Maturity Date;

(c) a default in the performance, or breach, of any covenant or warranty of the Issuer in this Indenture in respect of the Notes of such Series, Class or Tranche (other than a covenant or warranty in respect of the Notes of such Series, Class or Tranche a default in the performance of which or the breach of which is elsewhere in this Section specifically dealt with), all of such covenants and warranties in this Indenture which are not expressly stated to be for the benefit of a particular Series, Class and Tranche of Notes being deemed to be in respect of the Notes of all Series, Classes or Tranches for this purpose, and continuance of such default or breach for a period of sixty (60) days after there has been given, by registered or certified mail, to the Issuer by the Indenture Trustee or to the Issuer and the Indenture Trustee by the Holders of at least 25% of the aggregate in Outstanding Dollar Principal Amount of the Outstanding Notes of the affected Series, Class or Tranche, a written notice specifying such default or breach and requesting it to be remedied and stating that such notice is a “Notice of Default” hereunder and, as a result of such default, the interests of the Holders of the Notes of such Series, Class or Tranche are materially and adversely affected and continue to be materially and adversely affected during the sixty (60) day period;

(d) (i) the Issuer shall file a petition or commence a proceeding (A) to take advantage of any bankruptcy, conservatorship, receivership, insolvency, or similar laws or (B) for the appointment of a trustee, conservator, receiver, liquidator, or similar official for or relating to the Issuer or all or substantially all of its property, (ii) the Issuer shall consent or fail to object to any such petition filed or proceeding commenced against or with respect to it or all or substantially all of its property, or any such petition or proceeding shall not have been dismissed or stayed within sixty (60) days of its filing or commencement, or a court, agency, or other supervisory authority with jurisdiction shall have decreed or ordered relief with respect to

any such petition or proceeding, (iii) the Issuer shall admit in writing its inability to pay its debts generally as they become due, (iv) the Issuer shall make an assignment for the benefit of its creditors, or (v) the Issuer shall voluntarily suspend payment of its obligations.

(e) with respect to any such Series, Class or Tranche, any additional Event of Default specified in the Indenture Supplement for such Series, Class or Tranche of Notes as applying to such Series, Class or Tranche, or specified in the form of Note for such Series, Class or Tranche.

Section 602. Acceleration of Maturity; Rescission and Annulment.

(a) If an Event of Default described in clause (a), (b), (c) or (e) (if the Event of Default under clause (c) or (e) is with respect to less than all Series, Classes and Tranches of Notes then Outstanding) of Section 601 occurs and is continuing with respect to any Series, Class or Tranche, then and in each and every such case, unless the principal of all the Notes of such Series, Class or Tranche shall have already become due and payable, either the Indenture Trustee or the Majority Holders of the Notes of such Series, Class or Tranche then Outstanding hereunder (each such Series, Class or Tranche acting as a separate Class), by notice in writing to the Issuer (and to the Indenture Trustee if given by the Holders), may declare the Outstanding Dollar Principal Amount of all the Outstanding Notes of such Series, Class or Tranche then Outstanding and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, anything in this Indenture, the related Asset Pool Supplement, the related Indenture Supplement or in the Notes of such Series, Class or Tranche to the contrary notwithstanding. Such payments are subject to the allocation provisions of the applicable Asset Pool Supplement and the allocation, deposits and payment sections of the related Indenture Supplement.

(b) If an Event of Default described in clause (c) or (e) of Section 601 occurs with respect to all Series, Classes and Tranches of Outstanding Notes and is continuing, then and in each and every such case, unless the principal of all the Notes shall have already become due and payable, either the Indenture Trustee or the Majority Holders of all the Outstanding Notes hereunder (treated as one Class), by notice in writing to the Issuer (and to the Indenture Trustee if given by Holders), may declare the Outstanding Dollar Principal Amount of all the Notes then Outstanding and all interest accrued or principal accreted and unpaid (if any) thereon to be due and payable immediately, and upon any such declaration the same will become and will be immediately due and payable, notwithstanding anything in this Indenture, the related Asset Pool Supplement, the related Indenture Supplements or the Notes to the contrary.

(c) If an Event of Default described in clause (d) of Section 601 occurs and is continuing, then the Notes of all Series, Classes and Tranches will automatically be and become immediately due and payable by the Issuer, without notice or demand to any Person, and the Issuer will automatically and immediately be obligated to pay off the Notes.

At any time after such a declaration of acceleration has been made or an automatic acceleration has occurred with respect to the Notes of any Series, Class or Tranche and before a judgment or decree for payment of the money due has been obtained by the Indenture Trustee as hereinafter

in this Article VI provided, the Majority Holders of such Series, Classes or Tranche, by written notice to the Issuer and the Indenture Trustee, may rescind and annul such declaration and its consequences if:

(x) the Issuer has paid or deposited with the Indenture Trustee a sum sufficient to pay (i) all overdue installments of interest on the Notes of such Series, Class or Tranche, (ii) the principal of any Notes of such Series, Class or Tranche which have become due otherwise than by such declaration of acceleration, and interest thereon at the rate or rates prescribed therefor by the terms of the Notes of such Series, Class or Tranche, to the extent that payment of such interest is lawful, (iii) interest upon overdue installments of interest at the rate or rates prescribed therefor by the terms of the Notes of such Series, Class or Tranche to the extent that payment of such interest is lawful, and (iv) all sums paid by the Indenture Trustee hereunder and the reasonable compensation, expenses and disbursements of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 707; and

(y) all Events of Default with respect to such Series, Class or Tranche of Notes, other than the nonpayment of the principal of the Notes of such Series, Class or Tranche which has become due solely by such acceleration, have been cured or waived as provided in Section 616.

No such rescission will affect any subsequent default or impair any right consequent thereon.

Section 603. Collection of Indebtedness and Suits for Enforcement by Indenture Trustee. The Issuer covenants that if:

(a) the Issuer defaults in the payment of interest on any Series, Class or Tranche of Notes when such interest becomes due and payable and such default continues for a period of thirty-five (35) days following the date on which such interest became due and payable, or

(b) the Issuer defaults in the payment of the principal of any Series, Class or Tranche of Notes on the Legal Maturity Date thereof;

the Issuer will, upon demand of the Indenture Trustee, pay (subject to the allocation provided in this Article VI and any related Indenture Supplement) to the Indenture Trustee, for the benefit of the Holders of any such Notes of the affected Series, Class or Tranche, the whole amount then due and payable on any such Notes for principal and interest, with interest, to the extent that payment of such interest will be legally enforceable, upon the overdue principal and upon overdue installments of interest, (i) in the case of Interest-bearing Notes, at the rate of interest applicable to the Stated Principal Amount thereof, unless otherwise specified in the applicable Indenture Supplement; and (ii) in the case of Discount Notes, as specified in the applicable Indenture Supplement, and in addition thereto, will pay such further amount as will be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due to the Indenture Trustee under Section 707.

If the Issuer fails to pay such amounts forthwith upon such demand, the Indenture Trustee may, in its own name and as trustee of an express trust, institute a judicial proceeding for the collection of the sums so due and unpaid, and may directly prosecute such proceeding to judgment or final decree, and the Indenture Trustee may enforce the same against the Issuer or any other obligor upon the Notes of such Series, Class or Tranche and collect the money adjudged or decreed to be payable in the manner provided by law out of the Collateral or any other obligor upon such Notes, wherever situated.

Section 604. [Indenture Trustee May File Proofs of Claim](#). In case of the pendency of any receivership, insolvency, liquidation, bankruptcy or other similar proceeding relative to the Issuer or any other obligor upon the Notes or the property of the Issuer or of such other obligor, the Indenture Trustee (irrespective of whether the principal of the Notes will then be due and payable as therein expressed or by declaration or otherwise) will be entitled and empowered by intervention in such proceeding or otherwise,

(i) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Notes and to file such other papers or documents as may be necessary and advisable in order to have the claims of the Indenture Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel and all other amounts due the Indenture Trustee under [Section 707](#)) and of the Noteholders allowed in such judicial proceeding, and

(ii) to collect and receive any funds or other property payable or deliverable on any such claims and to distribute the same;

and any receiver, assignee, trustee, liquidator or other similar official in any such proceeding is hereby authorized by each Noteholder to make such payment to the Indenture Trustee, and in the event that the Indenture Trustee will consent to the making of such payments directly to the Noteholders, to pay to the Indenture Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Indenture Trustee, its agents and counsel, and any other amounts due the Indenture Trustee under [Section 707](#).

Nothing herein contained will be deemed to authorize the Indenture Trustee to authorize or consent to or accept or adopt on behalf of any Noteholder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Indenture Trustee to vote in respect of the claim of any Noteholder in any such proceeding.

Section 605. [Indenture Trustee May Enforce Claims Without Possession of Notes](#). All rights of action and claims under this Indenture or the Notes of any Series, Class or Tranche may be prosecuted and enforced by the Indenture Trustee, without the possession of any of the Notes of such Series, Class or Tranche or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Indenture Trustee, will be brought in its own name as trustee of an express trust, and any recovery of judgment will, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Indenture

Trustee and its respective agents and counsel, be for the ratable benefit of the Holders of the Notes of the Series, Class or Tranche in respect of which such judgment has been recovered.

Section 606. [Application of Money Collected](#). Any money or other property collected by the Indenture Trustee, with respect to a Series, Class or Tranche of Notes pursuant to this [Article VI](#) will be applied in the following order, at the date or dates fixed by the Indenture Trustee and, in case of the distribution of such money on account of principal or interest, upon presentation of the Notes of such Series, Class or Tranche and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

(a) first, to the payment of all amounts due the Indenture Trustee under [Section 707\(a\)](#);

(b) second, to the payment of the amounts then due and unpaid upon the Notes of that Series, Class or Tranche for principal and interest, in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind (but subject to the allocation provided in the relevant allocation provisions of the related Asset Pool Supplement and the related Indenture Supplement), according to the amounts due and payable on such Notes for principal and interest, respectively;

(c) third, to pay any servicing fee and any other fees or expenses then owing for that Series, Class or Tranche of Notes; and

(d) fourth, to the Issuer.

Section 607. [Indenture Trustee May Elect to Hold the Collateral Certificate](#). Following an acceleration of any Series, Class or Tranche of Notes, the Indenture Trustee may elect to continue to hold a Collateral Certificate and apply distributions on a Collateral Certificate in accordance with the regular distribution provisions pursuant to the relevant allocation provisions of the related Asset Pool Supplement, except that principal will be paid on the accelerated Series, Class or Tranche of Notes to the extent funds are received and allocated to the accelerated Series, Class or Tranche, and payment is permitted by the subordination provisions of the accelerated Series, Class or Tranche.

Section 608. [Sale of Collateral for Accelerated Notes](#). In the case of a Series, Class or Tranche of Notes that has been accelerated following an Event of Default, the Indenture Trustee may, and at the direction of the Majority Holders of that Series, Class or Tranche of Notes will, cause the Issuer to sell Collateral as provided in the related Indenture Supplement.

Section 609. [Noteholders Have the Right to Direct the Time, Method and Place of Conducting Any Proceeding for Any Remedy Available to the Indenture Trustee](#). The Majority Holders of any accelerated Series, Class or Tranche of Notes have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee. This right may be exercised only if the direction provided by the Noteholders does not conflict with applicable law or this Indenture and does not have a substantial likelihood of involving the Indenture Trustee in personal liability.

Section 610. [Limitation on Suits](#). No Holder of any Note of any Series, Class or Tranche will have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee or similar official, or for any other remedy hereunder, unless:

(a) such Holder has previously given written notice to the Indenture Trustee of a continuing Event of Default with respect to Notes of such Series, Class or Tranche;

(b) the Holders of more than 25% in Outstanding Dollar Principal Amount of the Outstanding Notes of such Series, Class or Tranche have made written request to the Indenture Trustee to institute proceedings in respect of such Event of Default in the name of the Indenture Trustee hereunder;

(c) such Holder or Holders have offered to the Indenture Trustee indemnity reasonably satisfactory to it against the costs, expenses and liabilities to be incurred in compliance with such request; and

(d) the Indenture Trustee, for sixty (60) days after the Indenture Trustee has received such notice, request and offer of indemnity, has failed to institute any such proceeding;

it being understood and intended that no one or more Holders of Notes of such Series, Class or Tranche will have any right in any manner whatsoever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other Holders of Notes of such Series, Class or Tranche, or to obtain or to seek to obtain priority or preference over any other such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and proportionate benefit of all the Holders of all Notes of such Series, Class or Tranche.

Section 611. [Unconditional Right of Noteholders to Receive Principal and Interest; Limited Recourse](#). Notwithstanding any other provisions in this Indenture, the Holder of any Note will have the right, which is absolute and unconditional, to receive payment of the principal of and interest on such Note on the Legal Maturity Date expressed in the related Indenture Supplement and to institute suit for the enforcement of any such payment, and such right will not be impaired without the consent of such Holder; provided, however, that notwithstanding any other provision of this Indenture to the contrary, the obligation to pay principal of or interest on the Notes or any other amount payable to any Noteholder will be without recourse to any Transferor, the Indenture Trustee, the Owner Trustee or any Affiliate, officer, employee or director of any of them, and the obligation of the Issuer to pay principal of or interest on the Notes or any other amount payable to any Noteholder will be subject to the allocation and payment provisions of the applicable Asset Pool Supplement and the applicable Indenture Supplement and limited to amounts available from the Collateral pledged to secure the Notes of the applicable Asset Pool.

Section 612. [Restoration of Rights and Remedies](#). If the Indenture Trustee or any Noteholder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, then and in every such case the Issuer, the Indenture Trustee and the Noteholders will, subject to any determination in

such proceeding, be restored severally and respectively to their former positions hereunder, and thereafter all rights and remedies of the Indenture Trustee and the Noteholders will continue as though no such proceeding had been instituted.

Section 613. [Rights and Remedies Cumulative](#). No right or remedy herein conferred upon or reserved to the Indenture Trustee or to the Noteholders is intended to be exclusive of any other right or remedy, and every right and remedy will, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 614. [Delay or Omission Not Waiver](#). No delay or omission of the Indenture Trustee or of any Holder of any Note to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Indenture Trustee or to the Noteholders may be exercised from time to time, and as often as may be deemed expedient, by the Indenture Trustee or by the Noteholders, as the case may be.

Section 615. [Control by Noteholders](#). The Majority Holders of any affected Series, Class or Tranche will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred on the Indenture Trustee with respect to the Notes of such Series, Class or Tranche, provided that:

(a) the Indenture Trustee will have the right to decline to follow any such direction if the Indenture Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or would conflict with this Indenture or if the Indenture Trustee in good faith determines that the proceedings so directed would involve it in personal liability or be unjustly prejudicial to the Holders not taking part in such direction, and

(b) the Indenture Trustee may take any other action permitted hereunder deemed proper by the Indenture Trustee which is not inconsistent with such direction.

Section 616. [Waiver of Past Defaults](#). Holders of more than 66⅔% of the Outstanding Dollar Principal Amount of any Series, Class or Tranche may on behalf of the Holders of all the Notes of such Series, Class or Tranche waive any past default hereunder or under the related Asset Pool Supplement or Indenture Supplement with respect to such Series, Class or Tranche and its consequences, except a default not theretofore cured:

(a) in the payment of the principal of or interest on any Note of such Series, Class or Tranche, or

(b) in respect of a covenant or provision hereof which under [Article IX](#) cannot be modified or amended without the consent of the Holder of each Outstanding Note of such Series, Class or Tranche.

Upon any such waiver, such default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, for every purpose of this Indenture; but no such waiver will extend to any subsequent or other default or impair any right consequent thereon.

Section 617. [Undertaking for Costs](#). All parties to this Indenture agree, and each Holder of any Note by his acceptance thereof will be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Indenture Trustee for any action taken or omitted by it as Indenture Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section will not apply to any suit instituted by the Indenture Trustee, to any suit instituted by any Noteholder, or group of Noteholders, holding in the aggregate more than 25% in Outstanding Dollar Principal Amount of the Outstanding Notes of any Series, Class or Tranche to which the suit relates, or to any suit instituted by any Noteholders for the enforcement of the payment of the principal of or interest on any Note on or after the applicable Legal Maturity Date expressed in such Note.

Section 618. [Waiver of Stay or Extension Laws](#). The Issuer covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture; and the Issuer (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Indenture Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

[END OF ARTICLE VI]

ARTICLE VII

THE INDENTURE TRUSTEE

Section 701. Certain Duties and Responsibilities.

(a) The Indenture Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture with respect to the Notes of any Series, Class or Tranche, and no implied covenants or obligations will be read into this Indenture against the Indenture Trustee.

(b) In the absence of bad faith on its part, the Indenture Trustee may, with respect to Notes of any Series, Class or Tranche, conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Indenture Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Indenture Trustee, the Indenture Trustee will be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture but need not confirm or investigate the accuracy of any mathematical calculations or other facts stated therein.

(c) In case an Event of Default with respect to any Series, Class or Tranche of Notes has occurred and is continuing, the Indenture Trustee will exercise with respect to the Notes of such Series, Class or Tranche such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(d) No provision of this Indenture will be construed to relieve the Indenture Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(i) this subsection (d) will not be construed to limit the effect of subsection (a) of this Section;

(ii) the Indenture Trustee will not be liable for any error of judgment made in good faith by an Indenture Trustee Authorized Officer, unless it will be proved that the Indenture Trustee was negligent in ascertaining the pertinent facts;

(iii) the Indenture Trustee will not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Majority Holders of any Series, Class or Tranche relating to the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Indenture with respect to the Notes of such Series, Class or Tranche; and

(iv) no provision of this Indenture will require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance

of any of its duties hereunder, or in the exercise of any of its rights or powers, if it will have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to the Indenture Trustee against such risk or liability is not reasonably assured to it.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Indenture Trustee will be subject to the provisions of this Section.

Section 702. [Notice of Defaults](#). Within ninety (90) days after the occurrence of any default hereunder with respect to Notes of any Series, Class or Tranche,

(a) the Indenture Trustee will transmit by mail to all Registered Noteholders of such Series, Class or Tranche, as their names and addresses appear in the Note Register, notice of such default hereunder known to the Indenture Trustee,

(b) the Indenture Trustee will notify all Holders of Bearer Notes of such Series, Class or Tranche, by publication of notice of such default in an Authorized Newspaper, or as otherwise provided in the applicable Indenture Supplement, and

(c) the Indenture Trustee will give prompt written notification thereof to the Note Rating Agencies, unless such default will have been cured or waived;

provided, however, that, except in the case of a default in the payment of the principal of or interest on any Note of such Series, Class or Tranche, the Indenture Trustee will be protected in withholding such notice if and so long as an Indenture Trustee Authorized Officer in good faith determines that the withholding of such notice is in the interests of the Noteholders of such Series, Class or Tranche. For the purpose of this Section, the term “default,” with respect to Notes of any Series, Class or Tranche, means any event which is, or after notice or lapse of time or both would become, an Event of Default with respect to Notes of such Series, Class or Tranche.

Section 703. [Certain Rights of Indenture Trustee](#). Except as otherwise provided in [Section 701](#):

(a) the Indenture Trustee may conclusively rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document (whether in its original or facsimile form) believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) whenever in the administration of this Indenture the Indenture Trustee will deem it desirable that a matter be proved or established before taking, suffering or omitting any action hereunder, the Indenture Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, rely upon an Officer’s Certificate;

(c) the Indenture Trustee may consult with counsel of its own selection and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and

protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon;

(d) the Indenture Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Noteholders pursuant to this Indenture, unless such Noteholders shall have offered to the Indenture Trustee security or indemnity reasonably satisfactory to it against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction;

(e) the Indenture Trustee will not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture or other paper or document, but the Indenture Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Indenture Trustee will determine to make such further inquiry or investigation, it will be entitled to examine the books, records and premises of the Issuer, personally or by agent or attorney;

(f) the Indenture Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Indenture Trustee will not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder;

(g) the Indenture Trustee will not be responsible for filing any financing statements or continuation statements in connection with the Notes, but will cooperate with the Issuer in connection with the filing of such financing statements or continuation statements;

(h) the Indenture Trustee shall not be deemed to have notice of any default or Event of Default unless an Indenture Trustee Authorized Officer has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Indenture Trustee at the Corporate Trust Office of the Indenture Trustee, and such notice references the Notes and this Indenture; and

(i) the rights, privileges, protections, immunities and benefits given to the Indenture Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Indenture Trustee in each of its capacities hereunder, and each agent, custodian and other person employed to act hereunder.

Section 704. [Not Responsible for Recitals or Issuance of Notes](#). The recitals contained herein and in the Notes, except the certificates of authentication, will be taken as the statements of the Issuer, and the Indenture Trustee assumes no responsibility for their correctness. The Indenture Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Notes. The Indenture Trustee will not be accountable for the use or application by the Issuer of Notes or the proceeds thereof.

Section 705. [May Hold Notes](#). The Indenture Trustee, any Paying Agent, the Note Registrar or any other agent of the Issuer, in its individual or any other capacity, may become the owner or pledgee of Notes and, subject to [Sections 708](#) and [713](#), may otherwise deal

with the Issuer with the same rights it would have if it were not Indenture Trustee, Paying Agent, Note Registrar or such other agent.

Section 706. [Money Held in Trust](#). The Indenture Trustee will be under no liability for interest on any money received by it hereunder except as otherwise agreed with the Issuer.

Section 707. [Compensation and Reimbursement, Limit on Compensation, Reimbursement and Indemnity](#).

(a) The Issuer agrees:

(i) to pay to the Indenture Trustee from time to time reasonable compensation (or, for so long as The Bank of New York is the Indenture Trustee, such amount as has been mutually agreed upon in writing) for all services rendered by it hereunder (which compensation will not be limited by any provision of law in regard to the compensation of a trustee of an express trust);

(ii) except as otherwise expressly provided herein, to reimburse the Indenture Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Indenture Trustee in accordance with any provision of this Indenture (including the reasonable compensation and the reasonable expenses and disbursements of its agents and counsel), except any such expense, disbursement or advance as may be attributable to its negligence or bad faith; and

(iii) to indemnify the Indenture Trustee for, and to hold it harmless against, any and all loss, liability or expense incurred without negligence or bad faith on its part, arising out of or in connection with the acceptance or administration of this trust, including the costs and expenses of defending itself against any claim or liability (whether asserted by the Issuer, the Administrator, any Holder or any other Person) in connection with the exercise or performance of any of its powers or duties hereunder.

The Indenture Trustee will have no recourse to any asset of the Issuer other than funds available pursuant to [Section 606](#) or to any Person other than the Administrator or the Issuer. Except as specified in [Section 606](#), any such payment to the Indenture Trustee shall be subordinate to payments to be made to Noteholders.

(b) This Section will survive the termination of this Indenture and the resignation or replacement of the Indenture Trustee under [Section 710](#).

Section 708. [Disqualification; Conflicting Interests](#). If the Indenture Trustee has or will acquire a conflicting interest within the meaning of the Trust Indenture Act, the Indenture Trustee will, if so required by the Trust Indenture Act, either eliminate such interest or resign, to the extent and in the manner provided by, and subject to the provisions of, the Trust Indenture Act and this Indenture. Nothing herein will prevent the Indenture Trustee from filing with the Commission the application referred to in the second to last paragraph of Section 310(b) of the Trust Indenture Act.

Section 709. Corporate Indenture Trustee Required; Eligibility. There will at all times be an Indenture Trustee hereunder with respect to each Series, Class or Tranche of Notes, which will be either a bank or a corporation organized and doing business under the laws of the United States of America or of any State, authorized under such laws to exercise corporate trust powers, having a combined capital and surplus of at least \$50,000,000, subject to supervision or examination by Federal or State authority, and having a rating of at least BBB- by Standard & Poor's and Baa3 by Moody's. If such corporation publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation will be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. The Issuer may not, nor may any Person directly or indirectly controlling, controlled by, or under common control with the Issuer, serve as Indenture Trustee. If at any time the Indenture Trustee with respect to any Series, Class or Tranche of Notes will cease to be eligible in accordance with the provisions of this Section, it will resign immediately in the manner and with the effect hereinafter specified in this Article.

Section 710. Resignation and Removal; Appointment of Successor.

(a) No resignation or removal of the Indenture Trustee and no appointment of a successor Indenture Trustee pursuant to this Article will become effective until the acceptance of appointment by the successor Indenture Trustee under Section 711.

(b) The Indenture Trustee may resign with respect to any Series, Class or Tranche of Notes at any time by giving written notice thereof to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within thirty (30) days after the giving of such notice of resignation, the resigning Indenture Trustee may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(c) The Indenture Trustee may be removed with respect to any Series, Class or Tranche of Notes at any time by Action of the Majority Holders of that Series, Class or Tranche, delivered to the Indenture Trustee and to the Issuer. If an instrument of acceptance by a successor Indenture Trustee shall not have been delivered to the Indenture Trustee within 30 days after the giving of such notice of removal, the Indenture Trustee being removed may petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee.

(d) If at any time:

(i) the Indenture Trustee fails to comply with Section 310(b) of the Trust Indenture Act with respect to any Series, Class or Tranche of Notes after written request therefor by the Issuer or by any Noteholder who has been a bona fide Holder of a Note of that Series, Class or Tranche for at least six (6) months, or

(ii) the Indenture Trustee ceases to be eligible under Section 709 with respect to any Series, Class or Tranche of Notes and fails to resign after written request therefor by the Issuer or by any such Noteholder, or

(iii) the Indenture Trustee becomes incapable of acting with respect to any Series, Class or Tranche of Notes, or

(iv) the Indenture Trustee is adjudged bankrupt or insolvent or a receiver of the Indenture Trustee or of its property is appointed or any public officer takes charge or control of the Indenture Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, (A) the Issuer may remove the Indenture Trustee, with respect to the Series, Class or Tranche, or in the case of clause (iv), with respect to all Series, Classes or Tranches, or (B) subject to Section 617, any Noteholder who has been a bona fide Holder of a Note of such Series, Class and Tranche for at least six (6) months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Indenture Trustee with respect to such Series, Class or Tranche and the appointment of a successor Indenture Trustee with respect to the Series, Class or Tranche, or, in the case of clause (iv), with respect to all Series, Classes and Tranches.

(e) If the Indenture Trustee resigns, is removed or becomes incapable of acting with respect to any Series, Class or Tranche of Notes, or if a vacancy shall occur in the office of the Indenture Trustee with respect to any Series, Class or Tranche of Notes for any cause, the Issuer will promptly appoint a successor Indenture Trustee for that Series, Class or Tranche of Notes. If, within one year after such resignation, removal or incapacity, or the occurrence of such vacancy, a successor Indenture Trustee with respect to such Series, Class or Tranche of Notes is appointed by Act of the Majority Holders of such Series, Class or Tranche delivered to the Issuer and the retiring Indenture Trustee, the successor Indenture Trustee so appointed will, forthwith upon its acceptance of such appointment, become the successor Indenture Trustee with respect to such Series, Class or Tranche and supersede the successor Indenture Trustee appointed by the Issuer with respect to such Series, Class or Tranche of Notes. If no successor Indenture Trustee with respect to such Series, Class or Tranche of Notes shall have been so appointed by the Issuer or the Noteholders of such Series, Class or Tranche and accepted appointment in the manner hereinafter provided, any Noteholder who has been a bona fide Holder of a Note of that Series, Class or Tranche for at least six (6) months may, on behalf of itself and all others similarly situated, petition any court of competent jurisdiction for the appointment of a successor Indenture Trustee with respect to such Series, Class or Tranche of Notes.

(f) The Issuer will give written notice of each resignation and each removal of the Indenture Trustee with respect to any Series, Class or Tranche of Notes and each appointment of a successor Indenture Trustee with respect to any Series, Class or Tranche to each Noteholder as provided in Section 106 and to each Note Rating Agency. To facilitate delivery of such notice, upon request by the Issuer, the Note Registrar shall provide to the Issuer a list of the relevant Registered Noteholders. Each notice will include the name of the successor Indenture Trustee and the address of its principal Corporate Trust Office.

Section 711. Acceptance of Appointment by Successor. Every successor Indenture Trustee appointed hereunder will execute, acknowledge and deliver to the Issuer and to the predecessor Indenture Trustee an instrument accepting such appointment, with a copy to the

Note Rating Agencies, and thereupon the resignation or removal of the predecessor Indenture Trustee will become effective with respect to any Series, Class or Tranche as to which it is resigning or being removed as Indenture Trustee, and such successor Indenture Trustee, without any further act, deed or conveyance, will become vested with all the rights, powers, trusts and duties of the predecessor Indenture Trustee with respect to any such Series, Class or Tranche; but, on request of the Issuer or the successor Indenture Trustee, such predecessor Indenture Trustee will, upon payment of its reasonable charges, if any, execute and deliver an instrument transferring to such successor Indenture Trustee all the rights, powers and trusts of the predecessor Indenture Trustee, and will duly assign, transfer and deliver to such successor Indenture Trustee all property and money held by such predecessor Indenture Trustee hereunder with respect to all or any such Series, Class or Tranche, subject nevertheless to its lien, if any, provided for in Section 707. Upon request of any such successor Indenture Trustee, the Issuer will execute any and all instruments for more fully and certainly vesting in and confirming to such successor Indenture Trustee all such rights, powers and trusts.

In case of the appointment hereunder of a successor Indenture Trustee with respect to the Notes of one or more (but not all) Series, Classes or Tranches, the Issuer, the predecessor Indenture Trustee and each successor Indenture Trustee with respect to the Notes of any applicable Series, Class or Tranche will execute and deliver an Indenture Supplement which will contain such provisions as shall be deemed necessary or desirable to confirm that all the rights, powers, trusts and duties of the predecessor Indenture Trustee with respect to the Notes of any Series, Class or Tranche as to which the predecessor Indenture Trustee is not being succeeded will continue to be vested in the predecessor Indenture Trustee, and will add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Indenture Trustee, it being understood that nothing herein or in such Indenture Supplement will constitute such Indenture Trustees co-trustees of the same trust and that each such Indenture Trustee will be Indenture Trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such Indenture Trustee.

No successor Indenture Trustee with respect to any Series, Class or Tranche of Notes will accept its appointment unless at the time of such acceptance such successor Indenture Trustee will be qualified and eligible under this Article.

Section 712. [Merger, Conversion, Consolidation or Succession to Business](#). Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation succeeding to all or substantially all of the corporate trust business of the Indenture Trustee, will be the successor of the Indenture Trustee hereunder, provided such corporation shall be otherwise qualified and eligible under this Article, without the execution or filing of any paper or any further act on the part of any of the parties hereto. The Indenture Trustee will give prompt written notice of such merger, conversion, consolidation or succession to the Issuer and the Note Rating Agencies. In case any Notes shall have been authenticated, but not delivered, by the Indenture Trustee then in office, any successor by merger, conversion or consolidation to such authenticating Indenture Trustee may adopt such authentication and deliver the Notes so authenticated with the same effect as if such successor Indenture Trustee had itself authenticated such Notes.

Section 713. [Preferential Collection of Claims Against Issuer](#). If and when the Indenture Trustee shall be or become a creditor of the Issuer (or any other obligor upon the Notes), the Indenture Trustee will be subject to the provisions of Section 311 of the Trust Indenture Act. An Indenture Trustee who has resigned or been removed will be subject to Section 311(a) of the Trust Indenture Act to the extent provided therein.

Section 714. [Appointment of Authenticating Agent](#). At any time when any of the Notes remain Outstanding the Indenture Trustee, with the approval of the Issuer, may appoint an Authenticating Agent or Agents with respect to one or more Series, Classes or Tranches of Notes which will be authorized to act on behalf of the Indenture Trustee to authenticate Notes of such Series, Classes or Tranches issued upon exchange, registration of transfer or partial redemption thereof or pursuant to [Section 306](#), and Notes so authenticated will be entitled to the benefits of this Indenture and will be valid and obligatory for all purposes as if authenticated by the Indenture Trustee hereunder. Wherever reference is made in this Indenture to the authentication and delivery of Notes by the Indenture Trustee or the Indenture Trustee's Certificate of Authentication, such reference will be deemed to include authentication and delivery on behalf of the Indenture Trustee by an Authenticating Agent and a Certificate of Authentication executed on behalf of the Indenture Trustee by an Authenticating Agent. Each Authenticating Agent will be acceptable to the Issuer and will at all times be a corporation organized and doing business under the laws of the United States of America, any State thereof or the District of Columbia, authorized under such laws to act as an Authenticating Agent, having a combined capital and surplus of not less than \$50,000,000 and, if other than the Issuer itself, subject to supervision or examination by Federal or State authority. If such Authenticating Agent publishes reports of condition at least annually, pursuant to law or to the requirements of said supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Authenticating Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. If at any time an Authenticating Agent will cease to be eligible in accordance with the provisions of this Section, such Authenticating Agent will resign immediately in the manner and with the effect specified in this Section. The initial Authenticating Agent for the Notes of all Series, Classes and Tranches will be The Bank of New York.

Any corporation into which an Authenticating Agent may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which such Authenticating Agent will be a party, or any corporation succeeding to the corporate agency or corporate trust business of an Authenticating Agent, will continue to be an Authenticating Agent, provided such corporation will be otherwise eligible under this Section, without the execution or filing of any paper or any further act on the part of the Indenture Trustee or the Authenticating Agent.

An Authenticating Agent may resign at any time by giving written notice thereof to the Indenture Trustee and to the Issuer. The Indenture Trustee may at any time terminate the agency of an Authenticating Agent by giving written notice thereof to such Authenticating Agent and to the Issuer. Upon receiving such a notice of resignation or upon such a termination, or in case at any time such Authenticating Agent will cease to be eligible in accordance with the provisions of this Section, the Indenture Trustee, with the approval of the Issuer, may appoint a successor Authenticating Agent which will be acceptable to the Issuer and will give notice to

each Noteholder as provided in Section 106. Any successor Authenticating Agent upon acceptance of its appointment hereunder will become vested with all the rights, powers and duties of its predecessor hereunder, with like effect as if originally named as an Authenticating Agent. No successor Authenticating Agent will be appointed unless eligible under the provisions of this Section.

The Indenture Trustee agrees to pay to each Authenticating Agent (other than an Authenticating Agent appointed at the request of the Issuer from time to time) reasonable compensation for its services under this Section, and the Indenture Trustee will be entitled to be reimbursed for such payments, subject to the provisions of Section 707.

If an appointment with respect to one or more Series, Classes or Tranches is made pursuant to this Section, the Notes of such Series, Classes or Tranche may have endorsed thereon, in addition to the Indenture Trustee's Certificate of Authentication, an alternate Certificate of Authentication in the following form:

This is one of the Notes of the Series, Classes or Tranches designated therein referred to in the within-mentioned Indenture.

Section 715. Tax Returns. In the event that the Issuer shall be required to file tax returns, the Administrator shall prepare or shall cause to be prepared such tax returns and shall provide such tax returns to the Owner Trustee or the Beneficiary for signature at least five (5) days before such tax returns are due to be filed. The Issuer, in accordance with the terms of each Indenture Supplement, shall also prepare or shall cause to be prepared all tax information required by law to be distributed to Noteholders and shall deliver such information to the Indenture Trustee at least five (5) days prior to the date it is required by law to be distributed to Noteholders. The Indenture Trustee, upon written request, will furnish the Administrator, the Issuer, and the Beneficiary with all such information known to the Indenture Trustee as may be reasonably requested and required in connection with the preparation of all tax returns of the Issuer, and shall, upon request, execute such returns. In no event shall the Indenture Trustee or the Owner Trustee be personally liable for any liabilities, costs or expenses of the Issuer or any Noteholder arising under any tax law, including without limitation, federal, state or local income or excise taxes or any other tax imposed on or measured by income (or any interest or penalty with respect thereto arising from a failure to comply therewith).

Section 716. [Representations and Covenants of the Indenture Trustee](#). The Indenture Trustee represents, warrants and covenants that:

- (i) The Indenture Trustee is a banking corporation duly organized and validly existing under the laws of the State of New York;
- (ii) The Indenture Trustee has full power and authority to deliver and perform this Indenture and has taken all necessary action to authorize the execution, delivery and performance by it of this Indenture and other documents to which it is a party; and
- (iii) Each of this Indenture and the other documents to which it is a party has been duly executed and delivered by the Indenture Trustee and constitutes its legal, valid and binding obligation in accordance with its terms.

Section 717. [Indenture Trustee's Application for Instructions from the Issuer](#). Any application by the Indenture Trustee for written instructions from the Issuer may, at the option of the Indenture Trustee, set forth in writing any action proposed to be taken or omitted by the Indenture Trustee under and in accordance with this Indenture and the date on and/or after which such action shall be taken or such omission shall be effective, provided that such application shall make specific reference to this [Section 717](#). The Indenture Trustee shall not be liable for any action taken by, or omission of, the Indenture Trustee in accordance with a proposal included in such application on or after the date specified in such application (which date shall not be less than five (5) Business Days after the date the Issuer actually receives such application, unless the Issuer shall have consented in writing to any earlier date) unless prior to taking any such action (or the effective date in the case of an omission), the Indenture Trustee shall have received written instructions in response to such application specifying the action be taken or omitted.

Section 718. [Appointment of Co-Trustee or Separate Indenture Trustee](#). (a) Notwithstanding any other provisions of this Indenture, at any time, for the purpose of meeting any legal requirements of any jurisdiction in which any part of the Trust Estate may at the time be located, the Indenture Trustee shall have the power and shall execute and deliver all instruments to appoint one or more Persons reasonably acceptable to the Issuer to act as a co-trustee or co-trustees, or separate trustee or separate trustees, of all or any part of the Trust Estate, and to vest in such Person or Persons, in such capacity and for the benefit of the Noteholders, such title to the Trust Estate, or any part thereof, and, subject to the other provisions of this [Section 718](#), such powers, duties, obligations, rights and trusts as the Indenture Trustee may consider necessary or desirable. No co-trustee or separate trustee hereunder shall be required to meet the terms of eligibility as a successor trustee under [Section 709](#) and no notice to Noteholders of the appointment of any co-trustee or separate trustee shall be required under [Section 710](#).

(b) Every separate trustee and co-trustee shall, to the extent permitted by law, be appointed and act subject to the following provisions and conditions:

(i) all rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such separate trustee or co-trustee jointly (it being understood that such separate trustee or co-trustee is not authorized to act separately without the Indenture Trustee joining in such act), except to the extent that under any law of any jurisdiction in which any particular act or acts are to be performed, the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Trust Estate or any portion thereof in any such jurisdiction) shall be exercised and performed singly by such separate trustee or co-trustee, but solely at the direction of the Indenture Trustee;

(ii) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder; and

(iii) the Indenture Trustee may at any time accept the resignation of or remove any separate trustee or co-trustee.

(c) Any notice, request or other writing given to the Indenture Trustee shall be deemed to have been given to each of the then separate trustees and co-trustees, as effectively as if given to each of them. Every instrument appointing any separate trustee or co-trustee shall refer to this Indenture and the conditions of this Article VII. Each separate trustee and co-trustee, upon its acceptance of the trusts conferred, shall be vested with the estates or property specified in its instrument of appointment, either jointly with the Indenture Trustee or separately, as may be provided therein, subject to all the provisions of this Indenture, specifically including every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Indenture Trustee. Every such instrument shall be filed with the Indenture Trustee.

(d) Any separate trustee or co-trustee may at any time appoint the Indenture Trustee, its agent or attorney-in-fact with full power and authority, to the extent not prohibited by law, to do any lawful act under or in respect of this Indenture on its behalf and in its name. If any separate trustee or co-trustee shall die, become incapable of acting, resign or be removed, all of its estates, properties, rights, remedies and trusts shall vest in and be exercised by the Indenture Trustee, to the extent permitted by law, without the appointment of a new or successor trustee.

ARTICLE VIII

NOTEHOLDERS' MEETINGS, LISTS, REPORTS BY INDENTURE TRUSTEE, ISSUER AND BENEFICIARY

Section 801. Issuer To Furnish Indenture Trustee Names and Addresses of Noteholders. The Issuer will furnish or cause to be furnished to the Indenture Trustee:

(a) not more than fifteen (15) days after each Record Date, in each year in such form as the Indenture Trustee may reasonably require, a list of the names and addresses of the Registered Noteholders of such Series, Classes or Tranches as of such date, and

(b) at such other times as the Indenture Trustee may request in writing, within thirty (30) days after the receipt by the Issuer of any such request, a list of similar form and content as of a date not more than fifteen (15) days before the time such list is furnished;

provided, however, that so long as the Indenture Trustee is the Note Registrar, no such list shall be required to be furnished.

Section 802. Preservation of Information; Communications to Noteholders.

(a) The Indenture Trustee will preserve, in as current a form as is reasonably practicable, the names and addresses of Registered Noteholders contained in the most recent list furnished to the Indenture Trustee as provided in Section 801 and the names and addresses of Registered Noteholders received by the Indenture Trustee in its capacity as Note Registrar. The Indenture Trustee may destroy any list furnished to it as provided in Section 801 upon receipt of a new list so furnished.

(b) If three (3) or more Holders of Notes of any Series, Class or Tranche (hereinafter referred to as "applicants") (or, if there are less than three (3) such Holders, all of the Holders) apply in writing to the Indenture Trustee, and furnish to the Indenture Trustee reasonable proof that each such applicant has owned a Note of such Series, Class or Tranche for a period of at least six (6) months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders of Notes of such Series, Class or Tranche or with the Holders of all Notes with respect to their rights under this Indenture or under such Notes and is accompanied by a copy of the form of proxy or other communication which such applicants propose to transmit, then the Indenture Trustee will, within five (5) Business Days after the receipt of such application, at its election, either:

(i) afford such applicants access to the information preserved at the time by the Indenture Trustee in accordance with Subsection 802(a), or

(ii) inform such applicants as to the approximate number of Holders of Notes of such Series, Class or Tranche or all Notes, as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with Subsection 802(a), and as to the approximate cost of mailing to such

Noteholders the form of proxy or other communication, if any, specified in such application.

If the Indenture Trustee shall elect not to afford such applicants access to such information, the Indenture Trustee shall, upon the written request of such applicants, mail to each Holder of a Registered Note of such Series, Class or Tranche or to all Registered Noteholders, as the case may be, whose names and addresses appear in the information preserved at the time by the Indenture Trustee in accordance with Subsection 802(a), a copy of the form of proxy or other communication which is specified in such request, with reasonable promptness after a tender to the Indenture Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless, within five (5) days after such tender, the Indenture Trustee shall mail to such applicants and file with the Commission, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Indenture Trustee, such mailing would be contrary to the best interests of the Holders of Notes of such Series, Class or Tranche or all Noteholders, as the case may be, or would be in violation of applicable law. Such written statement will specify the basis of such opinion. If the Commission, after opportunity for a hearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more of such objections, the Commission shall find, after notice and opportunity for hearing, that all the objections so sustained have been met and shall enter an order so declaring, the Indenture Trustee will mail copies of such material to all Registered Noteholders of such Series, Class or Tranche or all Registered Noteholders, as the case may be, with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Indenture Trustee will be relieved of any obligation or duty to such applicants respecting their application.

(c) Every Holder of Notes, by receiving and holding the same, agrees with the Issuer and the Indenture Trustee that neither the Issuer nor the Indenture Trustee will be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of Notes in accordance with Subsection 802(b), regardless of the source from which such information was derived, and that the Indenture Trustee will not be held accountable by reason of mailing any material pursuant to a request made under Subsection 802(b).

Section 803. Reports by Indenture Trustee.

(a) The term “reporting date” as used in this Section means May 31. Within sixty (60) days after the reporting date in each year, beginning in 2003, the Indenture Trustee will transmit to Noteholders, in the manner and to the extent provided in Section 313(c) of the Trust Indenture Act, a brief report dated as of such reporting date if required by Section 313(a) of the Trust Indenture Act.

(b) To the extent required by the Trust Indenture Act, the Indenture Trustee will mail each year to all Registered Noteholders, with a copy to the Note Rating Agencies a report concerning:

(i) its eligibility and qualifications to continue as trustee under this Indenture;

- (ii) any amounts advanced by the Indenture Trustee under this Indenture;
- (iii) the amount, interest rate and maturity date or indebtedness owing by the Issuer to the Indenture Trustee, in its individual capacity;
- (iv) the property and funds physically held by the Indenture Trustee by which the related Notes are secured;
- (v) any release or release and substitution of Collateral subject to the lien of the related Asset Pool Supplement which has not previously been reported; and
- (vi) any action taken by the Indenture Trustee that materially affects the Notes and that has not previously been reported.

(c) The Indenture Trustee will comply with Subsections 313(b) and 313(c) of the Trust Indenture Act.

(d) A copy of each such report will, at the time of such transmission to Noteholders, be filed by the Indenture Trustee with each stock exchange upon which the Notes are listed, and also with the Commission. The Issuer will notify the Indenture Trustee when the Notes are admitted to trading on any stock exchange.

Section 804. Meetings of Noteholders; Amendments and Waivers.

(a) If Notes of a Series, Class or Tranche are issuable in whole or in part as Bearer Notes, a meeting of Noteholders of the Notes of such Series, Class or Tranche may be called at any time and from time to time pursuant to this Section to make, give or take any Action provided by this Indenture or any Indenture Supplement to be made, given or taken by Noteholders of such Series, Class or Tranche.

(b) The Indenture Trustee may call a meeting of the Noteholders of a Series, Class or Tranche issuable in whole or in part as Bearer Notes at any time for any purpose specified hereunder or under any Indenture Supplement. The Indenture Trustee will call a meeting upon request of the Issuer or the Holders of at least 10% in aggregate Outstanding Dollar Principal Amount of the Outstanding Notes of such Series, Class or Tranche issuable in whole or in part as Bearer Notes. In any case, a meeting will be called after notice is given to such Noteholders pursuant to Section 106.

(c) To be entitled to vote at any meeting of Noteholders of any Series, Class or Tranche, a Person shall be (1) a Holder of one or more Outstanding Notes of such Series, Class or Tranche, or (2) a Person appointed by an instrument in writing as proxy for the Noteholder or Noteholders of one or more Outstanding Notes of such Series, Class or Tranche by the Noteholder or Noteholders. The only Person who shall be entitled to be present or to speak at any meeting of Noteholders of any Series, Class or Tranche shall be the Persons entitled to vote at such meeting and their counsel, any representatives of the Indenture Trustee and its counsel and any representatives of the Issuer and its counsel.

(d) Except for any consent that must be given by the Holders of each Outstanding Note affected or any action to be taken by the Issuer as holder of any Collateral Certificate, any resolution presented at any meeting at which a quorum is present may be adopted by the affirmative vote of the Majority Holders of that Series, Class or Tranche, as the case may be. However, any resolution with respect to any Action which may be given by the Holders of not less than a specified percentage in aggregate Outstanding Dollar Principal Amount of Outstanding Notes of a Series, Class or Tranche of Bearer Notes may be adopted at any meeting at which a quorum is present only by the affirmative vote of the Holders of not less than the specified percentage in aggregate Outstanding Dollar Principal Amount of the Outstanding Notes of such Series, Class or Tranche. Any resolution passed or decision taken at any meeting of Noteholders duly held in accordance with this Indenture will be binding on all Noteholders of the affected Series, Class or Tranche.

(e) The quorum at any meeting will be persons holding or representing the Majority Holders of a Series, Class or Tranche or all Notes, as the case may be; provided, however, that if any action is to be taken at that meeting concerning an Action may be given by the Holders of not less than a specified percentage in aggregate Outstanding Dollar Principal Amount of the Outstanding Notes of a Series, Class or Tranche, the persons holding or representing such specified percentage in aggregate Outstanding Dollar Principal Amount of the Outstanding Notes of such Series, Class or Tranche or all Notes will constitute a quorum.

(f) The ownership of Bearer Notes will be proved as provided in Subsection 104(c)(ii).

(g) The Issuer may make reasonable rules for other matters relating to Action by or a meeting of Noteholders not otherwise covered by this Section, including but not limited to the location or locations for such meeting, the manner of voting at such meeting, the appointment and duties of inspectors of the vote, the submission and examination of proxies, certificates and other evidence of the right to vote and the appointment of a chairperson for the meeting.

(h) As set forth in the applicable Pooling and Servicing Agreement and the related Series Supplement, with respect to certain actions requiring the consent or direction of Investor Certificateholders holding a specified percentage of the aggregate unpaid amount outstanding of Investor Certificates (whether by number of series or percentage of all outstanding Investor Certificates depending on the manner of voting or consenting on such matter), including consenting to certain amendments and terminating the related Master Trust, the Issuer, as holder of any Collateral Certificate, will be deemed to have voted in accordance with the Investor Certificateholders holding a majority of the aggregate Invested Amount outstanding of such Investor Certificates which are entitled to vote or consent on such matter; provided, however, that in the event Investor Certificateholders holding equal portions of the Invested Amount of such Investor Certificates vote in the positive and in the negative, without taking into consideration the vote of the Issuer, as holder of such Collateral Certificate, the Issuer shall be deemed to vote in the negative; provided further, that if the Collateral Certificate is the sole Investor Certificate outstanding which is entitled to vote or consent on such matter, the Issuer, as holder thereof, will be deemed to have voted in the negative.

Section 805. [Reports by Issuer to the Commission](#). The Issuer will:

(a) file with the Indenture Trustee, within fifteen (15) days after the Issuer is required to file the same with the Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as the Commission may from time to time by rules and regulations prescribe) which the Issuer may be required to file with the Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act; or, if the Issuer is not required to file information, documents or reports pursuant to either of said Sections, then it will file with the Indenture Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations;

(b) file with the Indenture Trustee and the Commission, in accordance with rules and regulations prescribed from time to time by the Commission, such additional information, documents and reports with respect to compliance by the Issuer with the conditions and covenants of this Indenture as may be required from time to time by such rules and regulations; and

(c) transmit by mail to all Registered Noteholders, as their names and addresses appear in the Note Register, and notify all Holders of Bearer Notes of such Series, Class or Tranche, by publication of such notice in an Authorized Newspaper or as otherwise provided in the applicable Indenture Supplement, within thirty (30) days after the filing thereof with the Indenture Trustee, such summaries of any information, documents and reports required to be filed by the Issuer pursuant to paragraphs (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Commission.

Section 901. Supplemental Indentures and Amendments Without Consent of Noteholders. Without the consent of the Holders of any Notes but with prior notice to each Note Rating Agency, the Issuer and the Indenture Trustee, at any time and from time to time, upon delivery of a Master Trust Tax Opinion for each applicable Master Trust and an Issuer Tax Opinion and upon delivery by the Issuer to the Indenture Trustee of an Officer's Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future, the Issuer may amend this Indenture, including any Asset Pool Supplement or any Indenture Supplement, or enter into one or more Asset Pool Supplements or Indenture Supplements, in form satisfactory to the Indenture Trustee, for any of the following purposes:

- (a) to evidence the succession of another Entity to the Issuer, and the assumption by any such successor of the covenants of the Issuer herein and in the Notes; or
- (b) to add to the covenants of the Issuer, or to surrender any right or power herein conferred upon the Issuer by the Issuer, for the benefit of the Holders of the Notes of any or all Series, Classes or Tranches (and if such covenants or the surrender of such right or power are to be for the benefit of less than all Series, Classes or Tranches of Notes, stating that such covenants are expressly being included or such surrenders are expressly being made solely for the benefit of one or more specified Series, Classes or Tranches); or
- (c) to cure any ambiguity, to correct or supplement any provision herein which may be inconsistent with any other provision herein, or to make any other provisions with respect to matters or questions arising under this Indenture; or

(g) to add any additional Early Redemption Events or Events of Default in respect of the Notes of any or all Series, Classes or Tranches (and if such additional Events of Default are to be in respect of less than all Series, Classes or Tranches of Notes, stating that such Events of Default are expressly being included solely for the benefit of one or more specified Series, Classes or Tranches of Notes); or

(m) to qualify for sale treatment under generally accepted accounting principles.

Additionally, notwithstanding any provision of this Article IX to the contrary, and in addition to (a) through (m) above, this Indenture, including any Indenture Supplement or any Asset Pool Supplement, may also be amended without the consent of the Indenture Trustee or any of the Noteholders, upon delivery of a Master Trust Tax Opinion for each applicable Master Trust and an Issuer Tax Opinion for the purpose of (i) adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture, any Indenture Supplement or any Asset Pool Supplement, (ii) modifying in any manner the rights of the Holders of the Notes under this Indenture, any Indenture Supplement or any Asset Pool Supplement or (iii) adding additional Collateral (including, but not limited to, adding additional Collateral Certificates) to an existing Asset Pool; provided, however, that (i) the Issuer shall deliver to the Indenture Trustee and the Owner Trustee an Officer's Certificate to the effect that the Issuer reasonably believes that such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future and (ii) each Note Rating Agency confirms in writing that such amendment will not cause a Ratings Effect.

The Indenture Trustee may, but shall not be obligated to, enter into any amendments which adversely affects the Indenture Trustee's rights, duties, benefits, protections, privileges or immunities under this Indenture or otherwise.

Section 902. [Supplemental Indentures with Consent of Noteholders](#). In addition to any amendment permitted pursuant to [Section 901](#) hereof, with prior notice to each applicable Note Rating Agency and the consent of Holders of more than 66⅔% in Outstanding Dollar Principal Amount of each Series, Class or Tranche of Notes affected by such amendment of this Indenture, including any Asset Pool Supplement and any Indenture Supplement, by Act of said Holders delivered to the Issuer and the Indenture Trustee, the Issuer, and the Indenture Trustee, as applicable, upon delivery of a Master Trust Tax Opinion for each applicable Master Trust and an Issuer Tax Opinion, may enter into an amendment of this Indenture for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, this Indenture or of modifying in any manner the rights of the Holders of the Notes of each such Series, Class or Tranche under this Indenture or any Indenture Supplement; provided, however, that no such amendment of an Indenture Supplement will, without the consent of the Holder of each Outstanding Note affected thereby:

(a) change the scheduled payment date of any payment of interest on any Note, or change an Expected Principal Payment Date or Legal Maturity Date of any Note;

(b) reduce the Stated Principal Amount of, or the interest rate on any Note, or change the method of computing the Outstanding Dollar Principal Amount, the Adjusted Outstanding Dollar Principal Amount or the Nominal Liquidation Amount in a manner that is adverse to the Holder of any Note;

(c) reduce the amount of a Discount Note payable upon the occurrence of an Early Redemption Event or other optional or mandatory redemption or upon the acceleration of its Legal Maturity Date;

(d) impair the right to institute suit for the enforcement of any payment on any Note;

(e) reduce the percentage in Outstanding Dollar Principal Amount of the Outstanding Notes of any Series, Class or Tranche of Notes, the consent of whose Holders is required for any such amendment, or the consent of whose Holders is required for any waiver of compliance with the provisions of this Indenture or of defaults hereunder and their consequences, provided for in this Indenture;

(f) modify any of the provisions of this Section or [Section 618](#), except to increase any percentage of Holders required to consent to any such amendment or to provide that other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each Outstanding Note affected thereby;

(g) permit the creation of any lien or other encumbrance on the Collateral of any Asset Pool that secures any Tranche of Notes that is prior to the lien in favor of the Indenture Trustee for the benefit of the Holders of the Notes of such Tranche;

(h) change any Place of Payment where any principal of, or interest on, any Note is payable, unless otherwise provided in the applicable Indenture Supplement;

(i) change the method of computing the amount of principal of, or interest on, any Note on any date; or

(j) make any other amendment not permitted by [Section 901](#).

An amendment of this Indenture or an Indenture Supplement which changes or eliminates any covenant or other provision of this Indenture which has expressly been included solely for the benefit of one or more particular Series, Class or Tranche of Notes, or which modifies the rights of the Holders of Notes of such Series, Class or Tranche with respect to such covenant or other provision, will be deemed not to affect the rights under this Indenture of the Holders of Notes of any other Series, Class or Tranche.

It will not be necessary for any Act of Noteholders under this Section to approve the particular form of any proposed amendment or Indenture Supplement, but it will be sufficient if such Act will approve the substance thereof.

Section 903. [Execution of Amendments and Supplemental Indentures](#). In executing or accepting the additional trusts created by any amendment of this Indenture or Indenture Supplement permitted by this [Article IX](#) or the modifications thereby of the trusts created by this Indenture, the Indenture Trustee will be entitled to receive, and (subject to [Section 701](#) or the applicable provisions of the related Asset Pool Supplement) will be fully protected in relying upon, an Opinion of Counsel stating that the execution of such amendment or Indenture Supplement is authorized or permitted by this Indenture and that all conditions precedent thereto have been satisfied. The Indenture Trustee may, but will not (except to the extent required in the case of an amendment or Indenture Supplement entered into under [Subsections 901\(d\)](#) or [901\(f\)](#)) be obligated to, enter into any such amendment or Indenture Supplement which affects the Indenture Trustee's own rights, duties or immunities under this Indenture or otherwise.

Section 904. [Effect of Amendments and Supplemental Indentures](#). Upon the execution of any amendment of this Indenture, any Asset Pool Supplement or any Indenture Supplement, or any supplemental indentures under this [Article IX](#), this Indenture and the related Asset Pool Supplement or Indenture Supplement will be modified in accordance therewith with respect to each Series, Class or Tranche of Notes affected thereby, or all Notes, as the case may be, and such amendment or supplemental indenture will form a part of this Indenture and the related Asset Pool Supplement or Indenture Supplement for all purposes; and every Holder of Notes theretofore or thereafter authenticated and delivered hereunder will be bound thereby to the extent provided therein.

Section 905. [Conformity with Trust Indenture Act](#). Every amendment of this Indenture, any Asset Pool Supplement or any Indenture Supplement and every supplemental indenture executed pursuant to this [Article IX](#) will conform to the requirements of the Trust Indenture Act as then in effect.

Section 906. [Reference in Notes to Supplemental Indentures](#). Notes authenticated and delivered after the execution of any amendment of this Indenture, any Asset Pool Supplement or any Indenture Supplement or any supplemental indenture pursuant to this

Article may, and will if required by the Indenture Trustee, bear a notation in form approved by the Indenture Trustee as to any matter provided for in such amendment or supplemental indenture. If the Issuer will so determine, new Notes so modified as to conform, in the opinion of the Indenture Trustee and the Issuer, to any such amendment or supplemental indenture may be prepared and executed by the Issuer and authenticated and delivered by the Indenture Trustee in exchange for Outstanding Notes.

Section 907. Amendments to the Trust Agreement.

(a) Subject to the provisions of the Trust Agreement, without the consent of the Holders of any Notes or the Indenture Trustee, the Owner Trustee (at the written direction of the Beneficiary) and the Beneficiary may amend the Trust Agreement so long as such amendment will not have an Adverse Effect and is not reasonably expected to have an Adverse Effect at any time in the future.

(b) Subject to the provisions of the Trust Agreement, (A) in the case of a significant change in the permitted activities of the Issuer which is not materially adverse to the Holders of the Notes, with the consent of the Majority Holders of each Class or Tranche of Notes affected by such change, and (B) in all other cases, with the consent of the Holders of more than 66⅔% in Outstanding Dollar Principal Amount of the Outstanding Notes affected by such amendment, by Action of said Holders delivered to the Indenture Trustee, the Beneficiary and the Owner Trustee (at the written direction of the Beneficiary) may amend the Trust Agreement for the purpose of adding, changing or eliminating any provisions of the Trust Agreement or of modifying the rights of those Noteholders.

ARTICLE X

REPRESENTATIONS, WARRANTIES AND COVENANTS OF ISSUER

Section 1001. Payment of Principal and Interest. With respect to each Series, Class or Tranche of Notes, the Issuer will duly and punctually pay the principal of and interest on such Notes in accordance with their terms and this Indenture, and will duly comply with all the other terms, agreements and conditions contained in, or made in this Indenture for the benefit of, the Notes of such Series, Class or Tranche.

Section 1002. Maintenance of Office or Agency. The Issuer will maintain an office or agency in each Place of Payment where Notes may be presented or surrendered for payment, where Notes may be surrendered for transfer or exchange and where notices and demands to or upon the Issuer in respect of the Notes and this Indenture may be served. The Issuer will give prompt written notice to the Indenture Trustee of the location, and of any change in the location, of such office or agency. If at any time the Issuer will fail to maintain such office or agency or will fail to furnish the Indenture Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Indenture Trustee, and the Issuer hereby appoints the Indenture Trustee its agent to receive all such presentations, surrenders, notices and demands.

The Issuer may also from time to time designate one or more other offices or agencies where the Notes of one or more Series, Classes or Tranches may be presented or surrendered for any or all of such purposes specified above and may constitute and appoint one or more Paying Agents for the payments of such Notes, in one or more other cities, and may from time to time rescind such designations and appointments; provided, however, that no such designation, appointment or rescission shall in any matter relieve the Issuer of its obligations to maintain an office or agency in each Place of Payment for Notes of any Series, Class or Tranche for such purposes. The Issuer will give prompt written notice to the Indenture Trustee of any such designation or rescission and of any change in the location of any such other office or agency. Unless and until the Issuer rescinds one or more of such appointments, the Issuer hereby appoints the Indenture Trustee, at its principal office, as its Paying Agent in New York, New York with respect to all Series, Classes and Tranches of Notes having a Place of Payment in the City of New York, New York.

Section 1003. Money for Note Payments to be Held in Trust. The Paying Agent, on behalf of the Indenture Trustee, will make distributions to Noteholders from the Collection Account of the applicable Asset Pool or other applicable Issuer Account pursuant to the provisions of any Asset Pool Supplement or any Indenture Supplement and will report the amounts of such distributions to the Indenture Trustee. Any Paying Agent will have the revocable power to withdraw funds from the Collection Account of the applicable Asset Pool or other applicable Issuer Account for the purpose of making the distributions referred to above. The Indenture Trustee may revoke such power and remove the Paying Agent if the Indenture Trustee determines in its sole discretion that the Paying Agent has failed to perform its obligations under this Indenture, any Asset Pool Supplement or any Indenture Supplement in any material respect. The Paying Agent upon removal will return all funds in its possession to the Indenture Trustee.

The Issuer will cause each Paying Agent (other than the Indenture Trustee) for any Series, Class or Tranche of Notes to execute and deliver to the Indenture Trustee an instrument in which such Paying Agent will agree with the Indenture Trustee (and if the Indenture Trustee acts as Paying Agent, it so agrees), subject to the provisions of this Section, that such Paying Agent will:

(a) hold all sums held by it for the payment of principal of or interest on Notes of such Series, Class or Tranche in trust for the benefit of the Persons entitled thereto until such sums will be paid to such Persons or otherwise disposed of as herein provided;

(b) if such Paying Agent is not the Indenture Trustee, give the Indenture Trustee notice of any default by the Issuer (or any other obligor upon the Notes of such Series, Class or Tranche) in the making of any such payment of principal or interest on the Notes of such Series, Class or Tranche;

(c) if such Paying Agent is not the Indenture Trustee, at any time during the continuance of any such default, upon the written request of the Indenture Trustee, forthwith pay to the Indenture Trustee all sums so held in trust by such Paying Agent;

(d) immediately resign as a Paying Agent and, if such Paying Agent is not the Indenture Trustee, forthwith pay to the Indenture Trustee all sums held by it in trust for the payment of Notes if at any time it ceases to meet the standards described in this Section required to be met by a Paying Agent at the time of its appointment; and

(e) comply with all requirements of the Internal Revenue Code or any other applicable tax law with respect to the withholding from any payments made by it on any Notes of any applicable withholding taxes imposed thereon and with respect to any applicable reporting requirements in connection therewith.

The Issuer may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture with respect to any Series, Class or Tranche of Notes or for any other purpose, pay, or by an Officer's Certificate direct any Paying Agent to pay, to the Indenture Trustee all sums held in trust by the Issuer or such Paying Agent in respect of each and every Series, Class or Tranche of Notes as to which it seeks to discharge this Indenture or, if for any other purpose, all sums so held in trust by the Issuer in respect of all Notes, such sums to be held by the Indenture Trustee upon the same trusts as those upon which such sums were held by the Issuer or such Paying Agent; and, upon such payment by any Paying Agent to the Indenture Trustee, such Paying Agent will be released from all further liability with respect to such money.

Any money deposited with the Indenture Trustee or any Paying Agent, or then held by the Issuer, in trust for the payment of the principal of or interest on any Note of any Series, Class or Tranche and remaining unclaimed for two years after such principal or interest has become due and payable will be paid to the Issuer upon request in an Officer's Certificate, or (if then held by the Issuer) will be discharged from such trust; and the Holder of such Note will thereafter, as an unsecured general creditor, look only to the Issuer for payment thereof, and all liability of the Indenture Trustee or such Paying Agent with respect to such trust money, and all liability of the Issuer as trustee thereof, will thereupon cease. The Indenture Trustee or such

Paying Agent, before being required to make any such repayment, may at the expense of the Issuer give to the Holders of the Notes as to which the money to be repaid was held in trust, as provided in [Section 106](#), a notice that such funds remain unclaimed and that, after a date specified in the notice, which will not be less than thirty (30) days from the date on which the notice was first mailed or published to the Holders of the Notes as to which the money to be repaid was held in trust, any unclaimed balance of such funds then remaining will be paid to the Issuer free of the trust formerly impressed upon it.

Each Paying Agent will at all times have a combined capital and surplus of at least \$50,000,000 and be subject to supervision or examination by a United States Federal or State authority or be regulated by or subject to the supervision or examination of a governmental authority of a nation that is a member of the Organization for Economic Co-operation and Development. If such Paying Agent publishes reports of condition at least annually, pursuant to law or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such Paying Agent will be deemed to be its combined capital and surplus as set forth in its most recent report of condition as so published.

Section 1004. [Statement as to Compliance](#). The Issuer will deliver to the Indenture Trustee and the Note Rating Agencies, on or before May 31 of each year, beginning in 2003, a written statement signed by an Issuer Authorized Officer stating that:

(a) a review of the activities of the Issuer during the prior year and of the Issuer's performance under this Indenture and under the terms of the Notes has been made under such Issuer Authorized Officer's supervision; and

(b) to the best of such Issuer Authorized Officer's knowledge, based on such review, the Issuer has complied in all material respects with all conditions and covenants under this Indenture throughout such year, or, if there has been a default in the fulfillment of any such condition or covenant (without regard to any grace period or requirement of notice), specifying each such default known to such Issuer Authorized Officer and the nature and status thereof.

Section 1005. [Legal Existence](#). The Issuer will do or cause to be done all things necessary to preserve and keep in full force and effect its legal existence.

Section 1006. [Further Instruments and Acts](#). Upon request of the Indenture Trustee, the Issuer will execute and deliver such further instruments and do such further acts as may be reasonably necessary or proper to carry out more effectively the purpose of this Indenture.

Section 1007. [Compliance with Laws](#). The Issuer will comply with the requirements of all applicable laws, the noncompliance with which would, individually or in the aggregate, materially and adversely affect the ability of the Issuer to perform its obligations under the Notes or this Indenture.

Section 1008. [Notice of Events of Default](#). The Issuer agrees to give the Indenture Trustee and the Note Rating Agencies prompt written notice of each Event of Default hereunder and each breach on the part of the Master Trust or the Transferor of their respective

obligations under the applicable Pooling and Servicing Agreement or the applicable Transfer and Administration Agreement, respectively, and any default of a Derivative Counterparty.

Section 1009. [Certain Negative Covenants](#). The Issuer will not:

(a) claim any credit on, or make any deduction from the principal or interest payable in respect of, the Notes (other than amounts withheld in good faith from such payments under the Internal Revenue Code or other applicable tax law including foreign withholding);

(b) permit the validity or effectiveness of this Indenture to be impaired, or permit the lien in favor of the Indenture Trustee created by this Indenture and the applicable Asset Pool Supplement to be amended, hypothecated, subordinated, terminated or discharged, or permit any Person to be released from any covenants or obligations with respect to the Notes under this Indenture except as may be expressly permitted hereby;

(c) permit any lien, charge, excise, claim, security interest, mortgage or other encumbrance (other than the lien in favor of the Indenture Trustee created by this Indenture) to be created on or extend to or otherwise arise upon or burden the Collateral designated for inclusion in an Asset Pool or any part thereof or any interest therein or the proceeds thereof;

(d) permit the lien in favor of the Indenture Trustee created by this Indenture and the applicable Asset Pool Supplement not to constitute a valid first priority security interest in the Collateral designated for inclusion in an Asset Pool; or

(e) voluntarily dissolve or liquidate.

Section 1010. [No Other Business](#). The Issuer will not engage in any business other than as permitted under the Trust Agreement.

Section 1011. [Rule 144A Information](#). For so long as any of the Notes of any Series, Class or Tranche are “restricted securities” within the meaning of Rule 144(a)(3) under the Securities Exchange Act, the Issuer agrees to provide to any Noteholder of such Series, Class or Tranche and to any prospective purchaser of Notes designated by such Noteholder, upon the request of such Noteholder or prospective purchaser, any information required to be provided to such Holder or prospective purchaser to satisfy the conditions set forth in Rule 144A(d)(4) under the Securities Exchange Act.

Section 1012. [Performance of Obligations](#).

(a) The Issuer will not take any action and will use its best efforts not to permit any action to be taken by others that would release any Person from any of such Person’s material covenants or obligations under any instrument or agreement included in the Collateral or that would result in the amendment, hypothecation, subordination, termination or discharge of, or impair the validity or effectiveness of, any such instrument or agreement, except as expressly provided in this Indenture, the Trust Agreement, the applicable Transfer and Administration Agreement, the applicable Pooling and Servicing Agreement or such other instrument or agreement.

(b) The Issuer will punctually perform and observe all of its obligations and agreements contained in this Indenture, any Asset Pool Supplement, any Indenture Supplement, the Trust Agreement and in the instruments and agreements (including but not limited to, the applicable Pooling and Servicing Agreement) relating to the Collateral designated for inclusion in each Asset Pool, including but not limited to filing or causing to be filed all UCC financing statements and amendments thereto required to be filed by the terms of this Indenture and the Trust Agreement in accordance with and within the time periods provided for herein and therein. Except as otherwise expressly provided herein or therein, the Issuer shall not waive, amend, modify, supplement or terminate this Indenture, any Asset Pool Supplement, any Indenture Supplement or the Trust Agreement or any provision thereof without the consent of the Majority Holders of the Notes of each adversely affected Series, Class or Tranche.

Section 1013. Issuer May Consolidate, Etc., Only on Certain Terms.

(a) The Issuer shall not consolidate or merge with or into any other Person, unless:

(1) the Person (if other than the Issuer) formed by or surviving such consolidation or merger (i) shall be a Person organized and existing under the laws of the United States of America, any state thereof or the District of Columbia, (ii) shall not be subject to regulation as an “investment company” under the Investment Company Act and (iii) shall expressly assume, by a supplemental indenture, executed and delivered to the Indenture Trustee, in a form satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance of every covenant of this Indenture on the part of the Issuer to be performed or observed;

(2) immediately after giving effect to such transaction, no Event of Default or Early Redemption Event shall have occurred and be continuing;

(3) the Issuer shall have delivered to the Indenture Trustee an Officer’s Certificate and an Opinion of Counsel each stating that (i) such consolidation or merger and such supplemental indenture comply with this Section 1013, (ii) all conditions precedent in this Section 1013 relating to such transaction have been complied with (including any filing required by the Securities Exchange Act), and (iii) such Indenture Supplement is duly authorized, executed and delivered and is valid, binding and enforceable against such Person;

(4) the Issuer shall have received written confirmation from each Note Rating Agency that there will be no Ratings Effect with respect to any Outstanding Notes as a result of such consolidation or merger;

(5) the Issuer shall have received an Issuer Tax Opinion and a Master Trust Tax Opinion for each applicable Master Trust;

(6) any action that is necessary to maintain the lien and security interest created by this Indenture shall have been taken; and

(7) such action shall not be contrary to the status of the Issuer as a qualified special purpose entity under existing accounting literature.

(b) The Issuer shall not convey or transfer any of its properties or assets, including those included in the Collateral, substantially as an entirety to any Person, unless:

(1) the Person that acquires by conveyance or transfer the properties and assets of the Issuer the conveyance or transfer of which is hereby restricted shall (A) be a United States citizen or a Person organized and existing under the laws of the United States of America, any state thereof, or the District of Columbia, (B) expressly assume, by a supplemental indenture, executed and delivered to the Indenture Trustee, in form satisfactory to the Indenture Trustee, the due and punctual payment of the principal of and interest on all Notes and the performance or observance of every agreement and covenant of this Indenture on the part of the Issuer to be performed or observed, all as provided herein, (C) expressly agree by means of such supplemental indenture that all right, title and interest so conveyed or transferred shall be subject and subordinate to the lien and security interest of the Indenture Trustee created by this Indenture, (D) expressly agree by means of such supplemental indenture that such Person (or if a group of Persons, then one specified Person) shall make all filings with the Commission (and any other appropriate Person) required by the Securities Exchange Act in connection with the Notes and (F) not be an “investment company” as defined in the Investment Company Act;

(2) immediately after giving effect to such transaction, no Event of Default or Early Redemption Event shall have occurred and be continuing;

(3) the Issuer shall have received written confirmation from each Note Rating Agency that there will be no Ratings Effect with respect to any Outstanding Notes as a result of such conveyance or transfer;

(4) the Issuer shall have received an Issuer Tax Opinion and a Master Trust Tax Opinion for each applicable Master Trust;

(5) any action that is necessary to maintain the lien and security interest created by this Indenture shall have been taken; and

(6) the Issuer shall have delivered to the Indenture Trustee an Officer’s Certificate and an Opinion of Counsel each stating that such conveyance or transfer and such Indenture Supplement comply with this Section 1013 and that all conditions precedent herein provided for relating to such transaction have been complied with (including any filing required by the Securities Exchange Act).

Section 1014. Successor Substituted. Upon any consolidation or merger, or any conveyance or transfer of the properties and assets of the Issuer substantially as an entirety in accordance with Section 1013 hereof, the Person formed by or surviving such consolidation or merger (if other than the Issuer) or the Person to which such conveyance or transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer under this Indenture with the same effect as if such Person had been named as the Issuer herein. In the

event of any such conveyance or transfer, the Person named as the Issuer in the first paragraph of this Indenture or any successor which shall theretofore have become such in the manner prescribed in this Section 1014 shall be released from its obligations under this Indenture as issued immediately upon the effectiveness of such conveyance or transfer, provided that the Issuer shall not be released from any obligations or liabilities to the Indenture Trustee or the Noteholders arising prior to such effectiveness.

Section 1015. Guarantees, Loans, Advances and Other Liabilities. Except as contemplated by this Indenture or the Trust Agreement, the Issuer shall not make any loan or advance or credit to, or guarantee (directly or indirectly or by an instrument having the effect of assuring another's payment or performance on any obligation or capability of so doing or otherwise), endorse or otherwise become contingently liable, directly or indirectly, in connection with the obligations, stocks or dividends of, or own, purchase, repurchase or acquire (or agree contingently to do so) any stock, obligations, assets or securities of, or any other interest in, or make any capital contribution to, any other Person.

Section 1017. Restricted Payments. The Issuer shall not, directly or indirectly, (i) pay any dividend or make any distribution (by reduction of capital or otherwise), whether in cash, property, securities or a combination thereof, to the Owner Trustee or any owner of a beneficial interest in the Issuer or otherwise with respect to any ownership or equity interest or security in or of the Issuer, (ii) redeem, purchase, retire or otherwise acquire for value any such ownership or equity interest or security or (iii) set aside or otherwise segregate any amounts for any such purpose; provided, however, that the Issuer may make, or cause to be made, (x) distributions as contemplated by, and to the extent funds are available for such purpose under, the Trust Agreement and (y) payments to the Indenture Trustee pursuant to Section 707 hereof. The Issuer will not, directly or indirectly, make payments to or distributions from any Collection Account except in accordance with this Indenture or any Indenture Supplement.

ARTICLE XI

EARLY REDEMPTION OF NOTES

Section 1101. Applicability of Article. Unless otherwise specified in the applicable Indenture Supplement related to a Series, Class or Tranche of Notes, pursuant to the terms of this Article XI, the Issuer will redeem and pay, provided that funds are available, each affected Series, Class or Tranche of Notes upon the occurrence of any Early Redemption Event. Unless otherwise specified in the applicable Indenture Supplement relating to a Series, Class or Tranche of Notes, or in the form of Notes for such Series, Class or Tranche, the following are “Early Redemption Events”:

- (a) the occurrence of an Event of Default and acceleration of the Notes of a Series, Class or Tranche pursuant to Article VI hereof;
- (b) with respect to any Series, Class or Tranche of Notes, the occurrence of the Expected Principal Payment Date of such Series, Class or Tranche of Notes;
- (c) the Issuer becoming an investment company within the meaning of the Investment Company Act;
- (d) with respect to any Series, Class or Tranche of Notes, (i) the related Transferor shall file a petition or commence a proceeding (A) to take advantage of any bankruptcy, conservatorship, receivership, insolvency, or similar laws or (B) for the appointment of a trustee, conservator, receiver, liquidator, or similar official for or relating to such Transferor or all or substantially all of its property, (ii) the related Transferor shall consent or fail to object to any such petition filed or proceeding commenced against or with respect to it or all or substantially all of its property, or any such petition or proceeding shall not have been dismissed or stayed within sixty (60) days of its filing or commencement, or a court, agency, or other supervisory authority with jurisdiction shall have decreed or ordered relief with respect to any such petition or proceeding, (C) the related Transferor shall admit in writing its inability to pay its debts generally as they become due, (D) the related Transferor shall make an assignment for the benefit of its creditors, or (E) the related Transferor shall voluntarily suspend payment of its obligations; or
- (e) with respect to any Series, Class or Tranche of Notes, any additional Early Redemption Event specified in the Indenture Supplement for such Series, Class or Tranche as applying to such Series, Class or Tranche of Notes.

The repayment price of a Tranche of Notes so redeemed will equal the Outstanding principal amount of such Tranche, *plus* accrued, past due and additional interest to but excluding the date of repayment, the payment of which will be subject to the allocations, deposits and payments sections of the related Asset Pool Supplement and Indenture Supplement.

If the Issuer is unable to pay the repayment price in full on the Principal Payment Date following the end of the Monthly Period in which the Early Redemption Event occurs, monthly payments on such Tranche of Notes will thereafter be made on each following Principal Payment Date until the Outstanding principal amount of such Series, Class or Tranche, *plus* all

accrued, past due and additional interest, is paid in full or the Legal Maturity Date occurs, whichever is earlier, subject to the allocations, deposits and payments sections of the related Asset Pool Supplement and Indenture Supplement. Any funds in any Supplemental Issuer Accounts for a repaid Tranche will be applied to make the principal and interest payments on that Tranche on the repayment date, subject to the allocations, deposits and payments sections of the related Asset Pool Supplement and Indenture Supplement. Principal payments on redeemed Tranches will be made first to the senior most Notes until paid in full, then to the next subordinated Notes until paid in full.

Section 1102. [Optional Repurchase](#). Unless otherwise provided in the applicable Indenture Supplement for a Series, Class or Tranche of Notes, the Servicer (as defined in the applicable Indenture Supplement) or any Affiliate thereof has the right, but not the obligation, to redeem a Series, Class or Tranche of Notes in whole but not in part on any day on or after the day on which the aggregate Nominal Liquidation Amount (after giving effect to all payments, if any, on that day) of such Series, Class or Tranche is reduced to less than 5% of the highest Outstanding Dollar Principal Amount (or such other percentage as shall be specified from time to time by such Servicer or any Affiliate thereof, consistent with sale treatment under GAAP and regulatory accounting principles); provided, however, that if such Class or Tranche of Notes redeemed is of a Subordinated Class or Tranche of Notes, such Servicer or any Affiliate thereof will not redeem such Notes if the provisions of the related Indenture Supplement would prevent the payment of such Subordinated Notes until a level of prefunding of the applicable Issuer Accounts for the Senior Classes of Notes for that Series has been reached such that the amount of such deficiency in the required subordination of a Senior Class of Notes is no longer required to provide subordination protection for the Senior Classes of that Series.

If such Servicer or any Affiliate thereof elects to redeem a Series, Class or Tranche of Notes, it will cause the Issuer to notify the Holders of such redemption at least thirty (30) days prior to the redemption date. Unless otherwise specified in the Indenture Supplement or Terms Document applicable to the Notes to be so redeemed, the redemption price of a Series, Class or Tranche so redeemed will equal 100% of the Outstanding principal amount of such Tranche, plus accrued, unpaid and additional interest or principal accreted and unpaid on such Tranche to but excluding the date of redemption, the payment of which will be subject to the allocations, deposits and payments sections of the related Asset Pool Supplement and Indenture Supplement.

If the Issuer is unable to pay the redemption price in full on the redemption date, monthly payments on such Series, Class or Tranche of Notes will thereafter be made until the Outstanding principal amount of such Series, Class or Tranche, plus all accrued and unpaid interest, is paid in full or the Legal Maturity Date occurs, whichever is earlier, subject to [Article V](#), [Article VI](#) and the allocations, deposits and payments sections of the related Indenture Supplement. Any funds in any Supplemental Issuer Accounts for a redeemed Tranche will be applied to make the principal and interest payments on that Tranche on the redemption date in accordance with the related Indenture Supplement. Principal payments on redeemed Tranches will be made in accordance with the related Indenture Supplement.

Section 1103. [Notice](#). Promptly after the occurrence of any Early Redemption Event or a redemption pursuant to [Section 1102](#), the Issuer will notify the Indenture Trustee and

the Note Rating Agencies in writing of the identity, Stated Principal Amount and Outstanding Dollar Principal Amount of the affected Series, Class or Tranche of Notes to be redeemed. Notice of redemption will promptly be given as provided in Section 106. All notices of redemption will state (a) the date on which the redemption of the applicable Series, Class or Tranche of Notes pursuant to this Article will begin, which will be the Principal Payment Date next following the end of the Monthly Period in which the applicable Early Redemption Event or redemption pursuant to Section 1102 occurs, (b) the repayment price for such Series, Class or Tranche of Notes and (c) the Series, Class or Tranche of Notes to be redeemed pursuant to this Article XI.

Section 1203. [Limitations on Liability](#).

(a) It is expressly understood and agreed by the parties hereto that (i) this Indenture is executed and delivered by the Owner Trustee not individually or personally but solely as Owner Trustee, in the exercise of the powers and authority conferred and vested in it, (ii) each of the representations, undertakings and agreements herein made on the part of the Issuer is made and intended not as a personal representation, undertaking or agreement by the Owner Trustee but is made and intended for the purpose of binding only the Issuer, (iii) nothing herein contained will be construed as creating any liability on the Owner Trustee individually or personally, to perform any covenant of the Issuer either expressed or implied contained herein, all such liability, if any, being expressly waived by the parties to this Indenture and by any Person claiming by, through or under them and (iv) under no circumstances will the Owner Trustee be personally liable for the payment of any indebtedness or expenses of the Issuer or be liable for the breach or failure of any obligation, representation, warranty or covenant made or undertaken by the Issuer under this Indenture or any related documents.

The Issuer will furnish to the Indenture Trustee a copy of each such agreement and the Indenture Trustee will cause payments or notices, as applicable, to be made in accordance with such agreements.

Section 1207. [Termination of Issuer](#). The Issuer and the respective obligations and responsibilities of the Indenture Trustee created hereby (other than the obligation of the Indenture Trustee to make payments to Noteholders as hereinafter set forth) shall terminate, except with respect to the duties described in [Subsection 1208\(b\)](#), as provided in the Trust Agreement.

Section 1208. [Final Distribution](#).

(a) The Issuer shall give the Indenture Trustee at least thirty (30) days prior written notice of the Payment Date on which the Noteholders of any Series, Class or Tranche may surrender their Notes for payment of the final distribution on and cancellation of such Notes. Not later than the fifth day of the month in which the final distribution in respect of such Series or Class is payable to Noteholders, the Indenture Trustee shall provide notice to Noteholders of such Series, Class or Tranche specifying (i) the date upon which final payment of such Series, Class or Tranche will be made upon presentation and surrender of Notes of such Series, Class or Tranche at the office or offices therein designated, (ii) the amount of any such final payment and (iii) that the Record Date otherwise applicable to such payment date is not applicable, payments being made only upon presentation and surrender of such Notes at the office or offices therein specified (which, in the case of Bearer Notes, shall be outside the United States). The Indenture Trustee shall give such notice to the Note Registrar and the Paying Agent at the time such notice is given to Noteholders.

(b) Notwithstanding a final distribution to the Noteholders of any Series, Class or Tranche (or the termination of the Issuer), except as otherwise provided in this paragraph, all funds then on deposit in any Issuer Account allocated to such Noteholders shall continue to be held in trust for the benefit of such Noteholders, and the Paying Agent or the Indenture Trustee shall pay such funds to such Noteholders upon surrender of their Notes, if certificated. In the event that all such Noteholders shall not surrender their Notes for cancellation within six (6) months after the date specified in the notice from the Indenture Trustee described in paragraph (a), the Indenture Trustee shall give a second notice to the

remaining such Noteholders to surrender their Notes for cancellation and receive the final distribution with respect thereto (which surrender and payment, in the case of Bearer Notes, shall be outside the United States). If within one year after the second notice all such Notes shall not have been surrendered for cancellation, the Indenture Trustee may take appropriate steps, or may appoint an agent to take appropriate steps, to contact the remaining such Noteholders concerning surrender of their Notes, and the cost thereof shall be paid out of the funds in the Collection Account or any Supplemental Issuer Accounts of the applicable Asset Pool held for the benefit of such Noteholders. The Indenture Trustee and the Paying Agent shall pay to the Issuer any monies held by them for the payment of principal or interest that remains unclaimed for two (2) years. After payment to the Issuer, Noteholders entitled to the money must look to the Issuer for payment as general creditors unless an applicable abandoned property law designates another Person.

Section 1209. [Termination Distributions](#). Upon the termination of the Issuer pursuant to the terms of the Trust Agreement, the Indenture Trustee shall release, assign and convey to the Beneficiary or any of its designees, without recourse, representation or warranty, all of its right, title and interest in the Collateral designated for inclusion in an Asset Pool, whether then existing or thereafter created, all monies due or to become due and all amounts received or receivable with respect thereto (including all moneys then held in any Issuer Account) and all proceeds thereof, except for amounts held by the Indenture Trustee pursuant to [Section 1208\(b\)](#). The Indenture Trustee shall execute and deliver such instruments of transfer and assignment as shall be provided to it, in each case without recourse, as shall be reasonably requested by the Beneficiary to vest in the Beneficiary or any of its designees all right, title and interest which the Indenture Trustee had in the Collateral and such other property designated for inclusion in an Asset Pool.

Multi-asset Execution Trust, Series [·], Class [·] Notes

Ladies and Gentlemen:

In connection with our purchase of the above Notes (the “Notes”) we confirm that:

(1) We understand that the Notes are not being registered under the Securities Act of 1933, as amended (the “Securities Act”), and are being sold to us in a transaction that is exempt from the registration requirements of the Securities Act;

(2) Any information we desire concerning the Notes or any other matter relevant to our decision to purchase the Notes is or has been made available to us;

(3) We have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Notes, and we (and any account for which we are purchasing under paragraph (4) below) are able to bear the economic risk of an investment in the Notes. We (and any account for which we are purchasing under

* Not less than \$250,000 minimum principal amount.

paragraph (4) below) are an “accredited investor” (as such term is defined in Rule 501(a)(1), (2) or (3) of Regulation D under the Securities Act);

(4) We are acquiring the Notes for our own account or for accounts as to which we exercise sole investment discretion and not with a view to any distribution of the Notes, subject, nevertheless, to the understanding that the disposition of our property shall at all times be and remain within our control;

(5) We agree that the Notes must be held indefinitely by us unless subsequently registered under the Securities Act or an exemption from any registration requirements of the Securities Act and any applicable state securities law is available;

(6) We agree that in the event that at some future time we wish to dispose of or exchange any of the Notes (such disposition or exchange not being currently foreseen or contemplated), we will not transfer or exchange any of the Notes unless:

(a)(i) the sale is of at least U.S. \$250,000 principal amount of Notes to an Eligible Purchaser (as defined below), (ii) a letter to substantially the same effect as paragraphs (1), (2), (3), (4), (5) and (6) of this letter is executed promptly by the purchaser and (3) all offers or solicitations in connection with the sale, whether directly or through any agent acting on our behalf, are limited only to Eligible Purchasers and are not made by means of any form of general solicitation or general advertising whatsoever; or

(b) the Notes are transferred pursuant to Rule 144 under the Securities Act by us after we have held them for more than three years; or

(c) the Notes are sold in any other transaction that does not require registration under the Securities Act and, if the Issuer, the Beneficiary, the Administrator, the Indenture Trustee or the Note Registrar so requests, we theretofore have furnished to such party an opinion of counsel satisfactory to such party, in form and substance satisfactory to such party, to such effect; or

(d) the Notes are transferred pursuant to an exception from the registration requirements of the Securities Act under Rule 144A under the Securities Act; and

(7) We understand that the Notes will bear a legend to substantially the following effect:

“THIS NOTE HAS NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”). NEITHER THIS NOTE NOR ANY PORTION HEREOF MAY BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT IN COMPLIANCE WITH THE REGISTRATION PROVISIONS OF THE SECURITIES ACT AND ANY APPLICABLE PROVISIONS OF ANY STATE BLUE SKY OR SECURITIES LAWS OR PURSUANT TO AN AVAILABLE EXEMPTION FROM SUCH PROVISIONS. THE TRANSFER OF THIS NOTE IS SUBJECT TO CERTAIN CONDITIONS SET FORTH IN THE INDENTURE REFERRED TO HEREIN.”

This legend may be removed if the Issuer, the Indenture Trustee and the Note Registrar have received an opinion of counsel satisfactory to them, in form and substance satisfactory to them, to the effect that the legend may be removed.

“Eligible Purchaser” means either an Eligible Dealer or a corporation, partnership or other entity which we have reasonable grounds to believe and do believe can make representations with respect to itself to substantially the same effect as the representations set forth herein. “Eligible Dealer” means any corporation or other entity the principal business of which is acting as a broker and/or dealer in securities. Capitalized terms used but not defined herein shall have the meanings given to such terms in the Indenture, dated as of October 9, 2002, as amended and restated as of January 13, 2006, between Capital One Multi-asset Execution Trust and The Bank of New York, as indenture trustee.

Very truly yours,
