Explanation of Responses:

- 1. These shares were earned pursuant to a performance share award agreement granted on February 4, 2021, as amended on November 2, 2023, based on the Company's Common Dividends + Growth of Tangible Book Value per Share and Adjusted ROTCE against a peer group of companies over a three-year performance period. These shares represent the number of shares paid out based on actual performance plus the dividend shares accrued under the same grant.
- 2. Includes shares acquired by the reporting person through the Company's Associate Stock Purchase Plan since the last reported transaction.
- 3. These shares were automatically withheld by the Company to satisfy the reporting person's tax obligation associated with the settlement of the performance shares. This share withholding was authorized in the performance share award agreement.
