Notice of Proposed Amendment of Certificate of Incorporation

In accordance with Section 242 of the Delaware General Corporation Law, Capital One Financial Corporation (the "Company") hereby provides notice that amendments to the Company's Restated Certificate of Incorporation (the "Certificate") will be proposed for adoption at its 2014 Annual Stockholder Meeting. A brief summary of the amendments, which are listed in the proxy statement for the 2014 Annual Stockholder Meeting as Item 5(a), Item 5(b) and Item 5(c), is set forth below:

- *Future Amendments to the Bylaws and Certain Sections of the Certificate.* The Certificate states that a supermajority vote is necessary for stockholders to amend the Company's Amended and Restated Bylaws (the "Bylaws") and to amend certain provisions in the Certificate (specifically, the provisions that: authorize the Board of Directors to create and issue rights to purchase Company securities; authorize the Board of Directors and the stockholders to amend the Bylaws; require any stockholder action to occur only at a duly called annual or special meeting of stockholders; and address the election and removal of directors). Item 5(a) proposes to amend the Certificate so that future amendments to the Bylaws and the Certificate can be approved by a majority vote of the outstanding shares.
- *Removal of Directors.* The Certificate states that a director can be removed from office only by a supermajority vote of the outstanding shares. Item 5(b) proposes to amend this supermajority voting requirement so that directors can be removed by a majority vote of the outstanding shares.
- *Certain Business Combinations.* The Certificate states that approval of certain business combinations requires a supermajority vote of the outstanding shares of voting stock and a supermajority vote of the outstanding shares of voting stock not owned by any Interested Stockholder (as defined in the Certificate), and that similar supermajority votes are required to approve any amendment to the Certificate relating to certain business combinations. Item 5(c) proposes to amend these supermajority voting requirements so that such transactions or amendments can be approved by majority votes.
