**Explanation of Responses:**

- These performance shares for the January 26, 2011 grant were settled at the end of a three-year performance period based on the Company's relative and absolute cash return on average tangible assets against a peer group of companies. These shares represent the number of shares paid out based on actual performance plus the dividend shares accrued under the same grant.
- These shares were automatically withheld by the Company to satisfy the reporting person's tax obligation associated with the settlement of the performance shares for the January 26, 2011 grant. This is authorized in the performance share award agreement.
