Explanation of Responses:

- These performance shares for the December 10, 2007 grant were settled at the end of a three-year performance period based on the Company's total shareholder return as compared to the total shareholder return of a peer group of companies.
- The performance shares for the December 10, 2007 grant were reported at 100% target. These shares represent the number of additional shares paid out based on actual performance plus the dividend shares accrued under the same grant.
- This restricted stock will vest in 1/3 increments beginning on January 26, 2012 and annually thereafter.
- These shares are automatically withheld by the Company to satisfy the reporting person's tax obligation associated with the settlement of the performance shares for the December 10, 2007 grant. This is authorized in the performance share award agreement.
- These performance share units for the December 10, 2007 grant were settled at the end of a three-year performance period based on the Company's total shareholder return as compared to the total shareholder return of a peer group of companies.
- These performance shares are settled at the end of a three-year performance period (January 1, 2011 to December 31, 2013) based on the Company's relative and absolute cash return on average tangible assets against a peer group of companies. The number of shares reported represents 200% of the target award amount. The reporting person will also be entitled to additional shares representing dividends accrued on the shares issuable at settlement.
- Each restricted stock unit will be settled in cash based on the Company's average fair market value of the underlying shares of common stock over the twenty trading days preceding the vesting date.
- These restricted stock units will vest in 1/3 increments beginning on January 26, 2012 and annually thereafter.
- This option becomes exercisable in 1/3 increments beginning on January 26, 2012 and annually thereafter.
